**William Trevor (Routledge Revivals)** Gregory A Schirmer,2014-10-10 William Trevor is a master of contemporary fiction He writes with equal authority about the frustrations of life in remote corners of Ireland and the hollowness of life in prosperous London suburbs An Anglo Irishman Trevor is admired on both sides of the Atlantic and both sides of the Irish Sea In William Trevor A Study of His Fiction first published in 1990 Gregory Schirmer analyses Trevor s novels such as A Standard of Behaviour and Fools of Fortune and short stories in detail He argues that Trevor s writing is important both in terms of its mastery of fictional techniques and of the profoundly moral vision that informs it His view of twentieth century men and women is subtle and complex generated by the tension between a humanistic faith in compassion and connection and an opposing more realistic assessment of contemporary society as alienated and disconnected **The Penguin Modern Classics Book** Henry Eliot,2021-11-18 The essential guide to twentieth century literature around the world For six decades the Penguin Modern Classics series has been an era defining ever evolving series of books encompassing works by modernist pioneers avant garde iconoclasts radical visionaries and timeless storytellers This reader s

William Trevor Suzanne Morrow Paulson,1993 Intensely poetic understated and ironic William Trevor s fiction contains the very hallmarks of the modern short story following a long tradition of Irish and British literature about the often painful and grueling route people travel in the simple effort to integrate themselves into society In his many poignant stories among them Mulvihill s Memorial The Mark 2 Wife The Day We Got Drunk on Cake Lovers of Their Time and The Ballroom of Romance Trevor reveals his mastery of tragi comedy whereby human interaction at even the most parochial level lends to an understanding of the universal In this first book length study of Trevor s stories Suzanne Morrow Paulson provides a comprehensive overview of this Anglo Irish writer s craft examining his masterpieces of the form his proficiency with the comic as well as the tragic Trevor writes a personal sort of fiction Paulson observes rendering the grotesque aspects of human nature under stress yet he transcends the personal because his art encourages sympathy for even the most ridiculous figures Refuting critics who find his work dour and pessimistic Paulson finds that most of Trevor s stories convey a genuine optimism and a love of people a love based on a profound understanding of suffering a sympathetic acceptance of human weakness and shrewd insights into social hierarchies Paulson finds Trevor at his best in stories that express his sympathy for women sensitive men and adolescents who suffer from destructive stereotypes of feminine and masculine behavior Paulson assigns the fiction discussed to four thematic groups stories that explore the psychology of coping or failing to cope with trauma stories about fathers and mothers who cannot understand themselves or their adolescent children stories depicting

the suffering of adolescent girls spinsters wives and mothers as they conform to destructive stereotypes governing proper female behavior and stories concerned with materialistic values promoted by advertising and the mass media In Parts 2 and 3 of this clear concise introduction to the Trevor short fiction canon Paulson has compiled first Trevor s comments on his art his reader and his community including an original 1989 interview with the author and second a survey of responses to Trevor s work and a brief gathering of articles and reviews published in Ireland England France Canada and America BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Major 20th-century Writers** Bryan Ryan,1991 VOL 1 A D VOL 2 E K VOL 3 L Q VOL 4 R Z INDEXES *Current Biography Yearbook* ,1984 *The Linen Hall Review* ,1984 *British Novelists Since 1960* Merritt Moseley,1999 Contains biographical sketches of representative British novelists whose work began to appear roughly around 1960 *British Book News* ,1979 **The Penguin Book of Facts** David Crystal,2004 The Penguin Book of Facts is the most comprehensive authoritative and up to date general factbook available Organised in thematic sections that cover topics as diverse as science and technology sport and culture religion and mythology it is a goldmine of facts figures and statistics backed by maps diagrams and a full index Whether you are seeking to establish the precise population of Guatemala the chemical symbol for radium or a list of Olympic Games medallists this is the essential source of information **The Penguin Factfinder** David Crystal,2005 The Penguin Factfinder is the most comprehensive and authoritative general factbook available now fully revised and updated for its second edition With sections ranging from art and culture to sports and games it is a goldmine of facts figures and statistics on every conceivable subject backed up by maps diagrams and an indispensable index to help you track down quickly the information you need Whether you want to find the population of Guatemala the most recent Oscar winners all the Olympic champions the most popular children s names or the Seven Wonders of the Ancient World this is the essential resource for browsers crossword addicts and anyone who needs to check facts at home or at work **Film Review** ,2003 **Writers and Their Craft** Sybil Steinberg,2003 *Writing for Your Life* ,1992 *Twentieth-century Literary Criticism* Gale Research Company,2001 Excerpts from criticism of the works of novelists poets playwrights and other creative writers 1900 1960 **Contemporary Dramatists** ,1993 **Colby Quarterly** ,2002 *In the House of Night* Christopher Navratil,1997 For evocative bedtime reading the San Francisco based author presents the dreamtime escapades of such diverse historical and contemporary figures as Allen Ginsberg Virginia Woolf Dostoevsky Ingmar Bergman John Updike and dream master Freud grouped by theme asleep and awake desire and love sorrow and remorse identity and discover anxiety and neurosis death and escape and inspiration and gratification No index Annotation copyrighted by Book News Inc Portland OR
