The Keys Of Jeshua:

The Keys of Jeshua Glenda Green, 2004-10 There are keys that open doors to astounding perceptions and higher states of being These keys have now been revealed The Keys of Jeshua is the culminating presentation of the conversations between artist Glenda Green and Jesus Christ that took place in 1992 while she painted his portrait He personally appeared to her He has appeared many times to others since the day of his resurrection Their visits were warm personal and completely vivid to all the senses She took extensive notes for her own future study not realizing that he would eventually ask her to share them with the world The Keys of Jeshua presents the remaining notes from their original conversations plus the continuing lessons of subsequent years More than that it stands alone as a perfected light of what his teachings have always been These are the quintessential instructions of the Beloved Master now presented within the context of contemporary language and modern understanding Each chapter begins with a message from Jeshua Each message presents a crucial Key to Life Following that there is a contribution from the author correlations with the Bible other words of wisdom and practical applications to life Last but not least for subjective realization of the message each chapter ends with a meditation and prayer It is recommended that you enjoy this book with all your faculties of understanding from objective to subjective and allow a holistic perception of these revelations to develop in your heart

RIVER OF TRUTH Rev John Robert Thwaytes, There are a vast number of superhuman persons in the spiritual realm created perfect but having free will like us and therefore capable of turning towards evil Among them were Lucifer Satan and Caligastia for example They are not God but when they function perfectly in tandem with God they may be referred to as God or the Good Shepherd as in Psalm 23 Significantly the majority of them the good ones tell us that they first recognize the FACT of God by His River of inexhaustible energy Meditating on this led me to put my thoughts down in this book partly for my own spiritual good But I am happy to share them **Envoy**

Paul Herman, 2021-12-01 Truly I say to you there are some standing here who will not taste death until they see the Son of Man coming in his kingdom Jeshua Matthew 16:28 So begins the story of Envoy transformed by Jeshua in that moment and called to write a firsthand account of the Church in all her glory and shame throughout the ages A New Order of the Ages

Collin Robert Bowling, 2011 For millennia the human race has been controlled and manipulated by forces beyond our own dimension or awareness A carefully managed human extra dimensional breeding program has produced a hybrid slave race that isn't aware of its true origins or fate Few know that these shadow puppeteers are actually in control or that they even exist They are not human but then again neither are we As the epic battle of consciousness expands into the outer dimensions we know that one thing is for certain When the Liberty Bell rings once again their empire will be reduced to a heap of ashes There will be an army of forces backed by the highest of forces in the heavens which will conduct this reawakening of the masses This story recounts the takeover of planet Earth by the Snake of Zion and shares everything you need to know to be truly free The battleground is within each of us and our captors are but a reflection of humanity Unless

we change ourselves how will the reflection be changed Hopefully after this enduring encounter deep into the rabbit hole you will realize how this reality has been manipulated by forces in the fourth dimension In order to succeed we must propel ourselves through the heart chakra and into the fifth dimension where the beloved Terra will find the peace and dignity that she deserves The fate of the world hangs in the balance All we have to do now is make a choice [The Golden Fleece Found!](#) Basil C.
