The Ponsonby Diamonds L T Meade, 2021-01-28 Book Excerpt elegram she said We are in terrible trouble here Violet is in the strangest condition She is very feverish her strength seems completely gone She lies hour after hour moaning to herself and takes little notice of anyone How long has this state of things gone on I asked The complete breakdown only took place yesterday but Miss Temple assures me that Violet has been failing for some time Her father and I noticed on one or two occasions that she seemed pale and languid but as there was a good deal to excite her we put her fatigue down to that source Under your judicious treatment and the admirable care Miss Temple gave her we considered her perfectly recovered and it did not enter into our minds that a recurrence of the old attack was possible When you speak of Lady Violet having much to excite her you doubtless allude to her engagement I said I saw it officially announced in the Morning Post I judged from it that she had quite recovered Lady Erstfield **The Strand Magazine** Sir George Newnes, 1894 *The Strand Magazine*, 1894 **Stories from the diary of a doctor, by L.T. Meade and Clifford Halifax, M.D.** Elizabeth Thomasina Meade, L. T. Meade, 1894 **The Ponsonby Diamonds** L. T. Meade, 2004-06-01 No one else suspects you at present at Beeches but that state of things will not continue there much longer As soon as the detectives from London arrive their suspicions will naturally be fastened on you Your youth and apparent innocence will in no way deceive them They will whisper doubts into the minds of Lord and Lady Erstfield and into the mind also of Lady Violet [The Lost Ring](#) Kathy Farmer, 2014-09-01 The growing relationship between Queen Victoria and John Brown is interwoven with the modern day romance of widow Vicky and widower John Brown When a ring is found in a loch on the Balmoral estate Vicky is helped by John Brown to find its provenance Their respective adult children are wary of the relationship Vickys because they suspect John of being a gold digger and Johns daughter because of her close possessive relationship with her father They are all drawn together by a family trauma which brings with it dark suspicions It is a family dilemma for each one of them Do they keep quiet and forget what they have seen or do they expose it Or will it be resolved another way [The Jewelers' Circular and Horological Review](#), 1891 *The Academy*, 1894 *Sherlock's Sisters* Joseph A. Kestner, 2017-03-02 *Sherlock's Sisters* The British Female Detective 1864 1913 examines the fictional female detective in Victorian and Edwardian literature This character originating in the 1860s configures a new representation of women in narratives of the nineteenth and twentieth centuries This analysis explores female empowerment through professional unofficial or official detection especially as this surveillance illuminates legal moral gendered institutional criminal punitive judicial political and familial practices This book considers a range of literary texts by both female and male writers which concentrate on detection by women particularly those which followed the creation of Sherlock Holmes by Arthur Conan Doyle in 1887 Cultural movements such as the emergence of the New Woman property law or suffragism are stressed in the exploits of these resourceful investigators These daring women deal with a range of crimes including murder blackmail terrorism forgery theft sexual harassment embezzlement fraud

impersonation and domestic violence Privileging the exercise of reason rather than intuition these women detectives are proto feminist in their demonstration of women s independence Instead of being under the law these women transform it Their investigations are given particular edge because many of the perpetrators of these crimes are women Sherlock s Sisters probes many texts which because of their rarity have been under researched Writers such as Beatrice Heron Maxwell Emmuska Orczy L T Meade Catherine Pirkis Fergus Hume Grant Allen Leonard Merrick Marie Belloc Lowndes George Sims McDonnell Bodkin and Richard Marsh are here incorporated into the canon of Victorian and Edwardian literature many for the first time A writer such as Mary Elizabeth Braddon is reassessed through a neglected novel The book includes works by Irish and Australian writers to present an inclusive array of British texts Sherlock s Sisters enlarges the perception of emerging female empowerment during the nineteenth century filling an important gap in the fields of Gender Studies Law Literature and Popular Culture

With This Christmas Ring Manda Collins,2017-10-03 A wallflower determined to fulfill a dying promise the rogue she jilted years ago and an orphaned baby are all brought together amidst the magic of Christmas in this new novella from Manda Collins Miss Merry Parks makes a deathbed promise to a schoolfriend that her infant daughter will be taken to her absent father There s only one problem to find the baby s father she ll have to consult his cousin Viscount Wrotham the man she jilted five years ago The man she couldn t forget Alex Ponsonby Viscount Wrotham is stunned to find Merry Parks looking more lovely than ever on his doorstep with an infant in her arms His shock soon turns to dismay when he learns his own cousin William is the man who abandoned his wife and child As head of the family he s duty bound to see right is done But he can t let this opportunity pass He ll take Merry and the baby to his cousin but he ll woo her back in the process Merry agrees to travel with Alex and the baby to Wrotham Castle where the entire Ponsonby family has gathered for Christmas but her plans to see the baby settled then leave are ruined by a snowstorm After five years apart Alex and Merry will spend the week getting reacquainted Perhaps it s the spirit of the holiday or the magic of the season but there could be something else in the air this Yuletide A Christmas Reunion
