Listen to the Blues! James E. Perone,2019-02-15 Listen to the Blues Exploring A Musical Genre provides an overview of this distinctly American musical genre for fans of the blues and curious readers alike with a focus on 50 must hear artists albums and subgenres Unlike other books on the blues which tend to focus on musician biographies Listen to the Blues devotes time to the compositions recordings and musical legacies of blues musicians from the early 20th century to the present Although the author references musical structure harmony form and other musical concepts the volume avoids technical language therefore it is a volume that should be of interest to the casual blues fan to students of blues music and its history and to more serious blues fans The chapters on the impact of the blues on popular culture and the legacy of the blues also put the genre in a broader historical context than what is found in many books on the blues The book opens with a background chapter that provides an overview of the history and structure of blues music A substantial encyclopedic chapter that focuses on 50 must hear blues musicians follows as does a chapter that explores the impact on popular culture of blues music and musicians and a chapter that focuses on the legacy of the genre A bibliography rounds out the work **Out of**

**the Wreckage: The Pop Stories** Barbara Blanks,2008-10-18 Age happens then everything else hits the fan My 81 year old father in law s life changes overnight mine does too and I resent it at first Over the next 15 months I learn caregiving is emotional and mental as well as physical Whether full or part time it is stressful but attitude and a sense of humor make all the difference in how you get through it We are all caregivers Pop s story could be your story Told with humor and honesty it faces the difficulties of elder care head on but chooses to focus on the positive Besides Pop you ll meet the Old Lady Gang at Mayberry and become acquainted with Bossy Barb the elf Santa doesn t talk about And as you journey out of the wreckage you ll also get lost a lot the Barb Way By the way if you click on the author s name you ll be whisked away to my lovely storefront
