Wilson, 2019-11-26 While postmodernism remains an ambiguous and messy phenomenon to represent it also remains a compelling prophetic voice in the ongoing development of contemporary biblical studies In Critical Entanglements Postmodern Theory and Biblical Studies Andrew P Wilson tracks the various strands of postmodernism threaded through the discipline drawing on a range of evocative biblical readings as well as key examples from the art world Wilson demonstrates that the scholarly entanglement with postmodern theory provides a valuable critical sensibility to biblical readings and referring to specific examples from reception history one that has the potential to showcase biblical studies at its best When it comes to reading practices scholarly voices and identities postmodern theory shows that biblical scholarship is ethically oriented and has an expansive sense of the text and textual effects Wilson plots the distinctive ways in which postmodern theory has shaped scholarship of the bible while continuing to beckon in unanticipated ways from unexpected vantage points **What is Postmodern Biblical Criticism?** Andrew Keith Malcolm Adam, 1995 A K M Adam offers plain language explanations and examples of the related critic assumptions that are now called postmodernism Included are deconstruction ideological criticism postmodern feminism transgressive postmodernism and others Solomon Among the Postmoderns Peter J. Leithart, 2008 Proposes the book of Ecclesiastes as an interpretive framework for readers wanting to understand and critique postmodernism **The Postmodern Turn** Ihab Hassan, 1987 *On the Way to the Postmodern* David J. A. Clines, 1998-11-01 For these two volumes the author has selected 50 articles and papers ten of them not previously published from his work as an Old Testament scholar over the last 30 years Some of the papers like *The Evidence for an Autumnal New Year in Pre exilic Israel Reconsidered* are far from postmodern in their outlook But there is ample evidence here that the postmodern is indeed the direction in which his mind has been moving The essays are organized in eight sections Method Literature History Theology Language Psalms Job and for entertainment Divertimenti They include *Reading Esther from Left to Right Beyond Synchronic Diachronic Story and Poem* *The Old Testament as Literature and as Scripture* *In Search of the Indian Job* and *Philology and Power* as well as *The Postmodern Adventure in Biblical Studies* *The Postmodern Presence* Arthur Asa Berger, 1998 Instead of summing up the various perspectives of scholars and the variety of ideas to which the term postmodernism has been assigned this text lets this diversity speak for itself By bringing together articles and essays on the impact of the postmodern temper on an eclectic range of subjects Berger presents a few of the many ways different theorists have come to terms with postmodernism while examining manifestations of postmodernism in the culture of everyday life **On the Way to the Postmodern** David J. A. Clines, 1998-11 Volumes contain 50 articles and papers 10 of them not previously published

Litowitz, 1997 The author presents a two tiered analysis that views postmodern legal thought as both a collective intellectual movement and as the work of particular theorists notably Friedrich Nietzsche Michel Foucault Jacques Derrida Francois Lyotard and Richard Rorty He concludes that even though postmodern thought does not give rise to a normative theory of right that can be used as a framework for deciding cases it can focus attention on genealogy and discourse and can empower those who have been denied a voice in the legal system Annotation copyrighted by Book News Inc Portland OR What Would Jesus Deconstruct? Gillingham, 1998 Begin your journey into biblical studies with our insightful introduction offering a blend of ancient wisdom and modern perspectives for academic exploration **A Confessing Theology for Postmodern Times** Michael Scott

Horton, 2000 In a world in which absolute truth values and authority have lost their place the evangelical church needs most of all to be a beacon of truth and light Yet the relativistic mindset of our culture is seeping in pushing aside biblical content to make way for personal experience even in churches that once held firmly to the doctrines of the faith The result a watered down Gospel is having little impact on society or individual lives It is a challenge that must not go unmet In *A Confessing Theology for Postmodern Times* twelve confessing Christian scholars from various denominational backgrounds provide you with ideas and strategies for rising to that challenge They explore your resources for doing theology in a postmodern world as well as the obstacles and the opportunities it entails There is a crisis of truth in the world This volume is evidence that you can reach out to those who need the life changing message of the Gospel and still hold firm to a systematic biblical theology in postmodern times From book jacket

A Strategy for Reading Biblical Texts Johnson T. K. Lim, 2002 *A Strategy of Reading Biblical Texts* provides a fresh impetus to the ongoing debate of hermeneutics and methods in biblical scholarship by examining three core hermeneutical strategies These are author oriented text oriented and reader oriented approaches It also critiques the contributions and limitations of each strategy and argues for a hermeneutical strategy that takes into account the micro and macro biblical corpora Readers are challenged to apply basic hermeneutical protocols when reading biblical texts A theological reading of the biblical texts is crucial and vital because the Bible is a theological document This book also addresses some of the pivotal but nagging questions of meaning authority and the reader's context
