**The Art of Teaching and Studying Languages** François Gouin, 1893     *Ultraverse Roleplaying System* Bruce Adams, 2018-01-23 Ultraverse is a fast paced system designed to create superheroic fantasy science fiction and countless other types of adventures for players. Each player assumes their own role as a character in each campaign that the Gamemaster GM creates. Ultraverse is designed to emulate the fictional powers and abilities found in the pages of four color comic books. Polyhedral dice such as d20, d12, d10, d8, d6 and d4 are required for play in Ultraverse. Hexagonal or Square maps are useful but not required for playing. I have tried to make the system easy to understand, fast paced and simple for players to get started. I am proud to have created Ultraverse and hope the readers have fun gaming.
