**The Priests of God: Unveiling the Order of Melchizedek** John F. Finkbeiner, 2017-10-05 The latest in the PROPHETS PRIESTS AND KINGS SERIES is here for serious Bible students Misunderstandings and misinformation on the true priesthood of Christ are addressed by several hundred relevant Scripture passages With God's Word as the authority the role of priests is defined before the search for the mysterious Christ like figure Melchizedek can begin The entire Bible is examined for clues to the man that Genesis 14:18 calls Priest of God Most High Following each lead Scripture takes the investigation in a unique direction Concluding Melchizedek had flesh and blood pays dividends when the pursuit leads to a person of interest From there a case is solidly built for one of the most dramatic Bible discoveries of any era Until now God has cloaked Melchizedek in mystery Solving this mystery is the Lord's gift to his last day's saints The Priests of God Knowing who was hidden behind the veil will have tremendous implications for the priestly order of Melchizedek Get ready to be challenged Get set to objectively re think and re examine all you have learned about prophecy Be prepared for a life changing and mind blowing experience You must be open to the Spirit Your destiny as God's servant awaits *God's Mediators*

Andrew Malone, 2017-09-21 There are many investigations of the Old Testament priests and the New Testament's appropriation of such imagery to describe Jesus Christ There are also studies of Israel's corporate priesthood and what this means for the priesthood of God's new covenant people However such studies are less frequently connected with one another key interrelations are missed and key questions are not addressed Making two passes across the tapestry of Scripture Andrew Malone traces these two threads and their intersections with an eye to the contemporary relevance of both themes in both Testaments Malone shows how our Christology and perseverance as God's people are enhanced by the way the book of Hebrews depicts Christ's own priesthood Furthermore Christians better understand their corporate identity and mission by discerning both the ministry of individual Old Testament priests and Israel's corporate calling Combining the various biblical emphases on priesthood in one place provides synergies that are too easily disregarded Contents 1 Orientation Part 1 God's individual priests 2 The Aaronic priesthood begins 3 Biblical antecedents to the Aaronic priesthood 4 Old Testament prospects 5 New covenant transformations Part 2 God's corporate priesthoods 6 Israel as a kingdom of priests 7 The church's priestly commission 8 Concluding reflections Bibliography *Teaching and Learning the Love of God* Joseph

Ratzinger, 2017-07-13 This inspiring collection of homilies delivered by Joseph Ratzinger Benedict XVI over six decades offers deep theological and historical insights on the meaning of the life and the witness of a Catholic priest When Pope Benedict XVI inaugurated the Year for Priests in 2009 he did so in conjunction with celebrating the 150th anniversary of the death of John Vianney the patron saint of all parish priests Benedict's purpose for that special year is the same purpose of this book of homilies to deepen the commitment of all priests to interior renewal for the sake of a stronger and more incisive witness to the Gospel in today's world As St John Vianney would often say The priesthood is the love of the heart of Jesus This touching

expression makes us reflect on the immense gift that priests represent not only for the Church but for all mankind Contemporary men and women need priests to be distinguished by their determined witness to Christ These homilies are meant to illuminate and to inspire priests to renew their commitment to teaching and learning the love of God The homilies cover a wide variety of important topics on the priesthood all deeply rooted in Scripture including acting in persona Christi becoming an offering with Christ for the salvation of mankind being there for God s mercy and witnessing Christian joy

**The Priesthood** Witness Lee,2017-03-01 In God s dispensation and economy the leading ministry is the priesthood In this universe God has an administration a divine economy His economy is the way He arranges or dispenses Therefore it is a kind of dispensation According to the Bible there are three main ministries in God s divine dispensation the priesthood the kingship and the prophethood The priesthood is the leading ministry of the three and brings the kingship and prophethood into function In other words both the kingship and the prophethood depend upon the leading ministry of the priesthood

Malone,2017-09-21 There are many investigations of the Old Testament priests and the New Testament s appropriation of such imagery for Jesus Christ There are also studies of Israel s corporate priesthood and what this means for the priesthood of God s new covenant people However such studies are less frequently connected with each other key interrelations are missed and key questions are not addressed In this New Studies in Biblical Theology volume Andrew S Malone makes two passes across the tapestry of Scripture tracing these two distinct threads and their intersection with an eye to the contemporary Christian relevance of both themes in both Testaments Malone shows how our Christology and perseverance as God s people in an unbelieving world are substantially enhanced by the way the book of Hebrews pastorally depicts Christ s own priesthood Furthermore Christians better understand their corporate identity and mission by discerning both the ministry of individual Old Testament priests and Israel s corporate calling Combining the various biblical emphases on priesthood in one place provides synergies that are too easily disregarded in atomizing individualistic Western societies

*The Branch Exposition of the Bible, Volume 2* Michael A. Eaton,2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God s word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture

*Invitation to Biblical Theology* Jeremy M. Kimble,Ched

Spellman,2020-06-30 Invitation to Biblical Theology provides a thorough overview of biblical theology that is accessible for

those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God s plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God s glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy

Jesus Our Priest Gerald O'Collins,Michael Keenan Jones,2010-03-18

In recent years many books have been published in the area of Christology who is Jesus in himself and soteriology what did he do as Saviour A number of notable ecumenical documents on Christian ministry have also appeared But in all this literature there is surprisingly little reflection on the priesthood of Christ from which derives all ministry whether the priesthood of all the faithful or ministerial priesthood This present work aims to fill that gap by examining in the light of the Scriptures and the Christian tradition what it means to call Christ our priest Beginning with a study of the biblical material the book then moves to the witness to Christ s priesthood coming from the fathers of the Church Thomas Aquinas Luther and Calvin the Council of Trent the seventeenth century French School John Henry Newman Tom Torrance and the Second Vatican Council The two concluding chapters describe and define in twelve theses the key characteristics of Christ s priesthood and what sharing in that priesthood through baptism and ordination involves
