Assessing and Correcting Reading and Writing Difficulties

Thomas G. Gunning, 2002 This text provides numerous examples and thorough coverage of procedures for assessing and instructing struggling readers of all ages In keeping with current theory the text emphasizes prevention and early intervention It is based on the premise that student performance is variable and that assessment and instruction are planned and modified to meet the varied needs and levels of students Gunning does not subscribe to a medical model that emphasizes deficiencies but rather focuses on what students can do This text calls for inclusion not exclusion but recognizes that struggling learners need expert carefully planned assessment and instruction Assessment coverage includes a grounding in basic concepts of tests and measurement While formal standardized measures are described emphasis is placed upon informal but highly regarded techniques such as the informal reading inventory miscue analysis running records observation think alouds holistic scoring of writing and portfolio assessment In addition to chapters devoted specifically to assessment ways to connect assessment and instruction are mentioned throughout the text Coverage of instructional techniques is thorough and practical Nine chapters are devoted to instructional techniques

Guns and Contemporary Society

Glenn H. Utter, 2015-12-01 This three volume set examines various approaches to firearms including constitutional and legal issues public health and criminal justice concerns and perspectives on personal safety and self defense Recent mass shootings have led to renewed calls for additional legislation at the state and federal levels to address gun access and control In this hard hitting compilation experts delve into various aspects of firearms in America from gun control and gun rights to militia movements to school related shootings and to the recent trends in gun ownership by women Authors from varied backgrounds and viewpoints share their perspectives on the pros and cons of firearm ownership as all of the following a

constitutional right a key instrument of self defense a guarantee of political freedoms and as a major factor in crime and personal injury The reference is divided into three volumes The first volume covers firearm history legislation and policy the second volume explores public opinion gun ownership trends international laws and self defense and the third considers popular debates about firearm policy including concealed carry of firearms terrorism and the ownership of firearms background checks for purchasing guns and stand your ground laws The work concludes with an informed debate on gun policy between Richard Feldman president of the Independent Firearm Owners and Paul Helmke former president of the Brady Campaign to Prevent Gun Violence
