Sandford, 2018-10-18 The eleventh Virgil Flowers novel by internationally bestselling author John Sandford. Virgil Flowers investigates a miracle and a murder in the wickedly entertaining thriller from the master of pulse pounding thrillers. Discover why Stephen King calls John Sandford one of the great novelists of all time. Pinion, Minnesota, a huge city of all of seven hundred folks who define the phrase small town. Nothing has ever happened in Pinion and nothing ever will until the mayor of sorts campaign promise I'll Do What I Can comes up with a scheme to put Pinion on the map. He's heard of a place where a floating image of the Virgin Mary turned the whole town into a shrine attracting thousands of curious people and making the townsfolk rich overnight. Why not stage a prank in Pinion and do the same? No one gets hurt and everyone gets rich. What could go wrong? And then a dead body shows up. It turns out that lots can go wrong with a get rich quick scheme like this one and lots will. It'll take everything Virgil Flowers has to put things to right before someone else dies. Praise for John Sandford and the Virgil Flowers novels. Along the way to the satisfying ending, Virgil displays the rough humor and rough justice that make him such an appealing character. Publishers Weekly on Deep Freeze: A knowing portrait of small town life layered into a very well plotted mystery. Virgil understands that in small towns no one ever outgrows high school. One of the very best novels in a superior series. Booklist starred review on Deep Freeze: Add a gripping storyline, a generous helping of exquisitely conceived characters and laugh out loud humor that produce explosive guffaws, not muted chuckles, and you're in for the usual late night don't even think of stopping treat when Flowers hits town. Richmond Times Dispatch on Deep Freeze: An outstanding novel. Publishers Weekly starred review on Escape Clause: Perfect entertainment. Kirkus Reviews on Escape Clause:
