**Christian G. Meyer**

## Sleeping Mines:

**Sleeping Mines** Gertrude Elva Finney,1951     *Mining* ,1896     **Messines 1917** Craig Deayton,2018-06-30 The enemy must not get the Messines Ridge at any price So read the orders to German troops defending the vital high ground south of Ypres On 7 June 1917 the British Second Army launched its attack with an opening like no other In the largest secret operation of the First World War British and Commonwealth mining companies placed over a million pounds of explosive beneath the German front line positions in 19 giant mines which erupted like a volcano This was just the beginning By the end of that brilliant summers day one of the strongest positions on the Western Front had fallen in the greatest British victory in three long years of war For the Anzacs who comprised one third of the triumphant Second Army it was their most significant achievement to that point for the men of the New Zealand Division it would be their finest hour It is difficult to overstate the importance of Messines for the Australians whose first two years of war had represented an almost unending catalogue of disaster This was both the first real victory for the AIF and the first test in senior command for Major General John Monash who commanded the newly formed 3rd Division Messines was a baptism of fire for the 3rd Division which came into the line alongside the battle scarred 4th Australian Division badly mauled at Bullecourt just six weeks earlier The fighting at Messines would descend into unimaginable savagery a lethal and sometimes hand to hand affair of bayonets clubs bombs and incessant machine gun fire described by one Australian as 72 hours of Hell After their string of bloody defeats over 1915 and 1916 Messines would prove the ultimate test for the Australians     **Mines and Minerals** ,1906     *Report of the Bureau of Mines* Ontario.
