Sliding Home Joyce Grant, 2018-02-01 Miguel hasn't missed El Salvador since arriving in North America with his mother and sister. But with his father still in El Salvador and gangs shaking down the old neighbourhood, life isn't easy for Miguel. When his father's situation becomes critical, Miguel becomes desperate to bring him to North America. But he can't even afford to join his baseball team on a road game; how can his family possibly pay his father's way? A solution comes from Miguel's teammate who proposes a big baseball fundraiser. As the team learns about the hard realities some new immigrant kids face, Miguel and his family learn to trust their neighbours and teammates. *When Johnny Came Sliding Home* William J.

Ryczek, 1998-01-01 As the Civil War ended, the thoughts of many Northern soldiers turned to a game that some had learned about for the first time during the war: baseball. Their newfound interest in the sport combined with the postwar economic boom and the resultant growth of many cities took the game from one practiced by a few amateur clubs in New York City before the war to a professional sport covering almost the entire northeastern United States. Researched from primary sources, the game of the late 1860s is described season by season: the fields, the crowds, the strategy, the rules, the style of play, and the confusing struggles to crown a national champion with all the chicanery and machinations of the contenders. Such landmark events as the Washington Nationals' pioneering 1867 tour and the Cincinnati Red Stockings' undefeated 1869 season are covered. **Home Study**, 1899 *Home Playgrounds* Marilyn Simonds Mohr, Marilyn Mohr, 1987 Includes projects for swings, cable rides, slides, climbers, sliding poles, bridges, playhouses, sand gardens, water play, and paths.

Favorite Songs and Hymns for School and Home John Piersol McCaskey, 1899 *The Complete Guide to Alzheimer's-proofing Your Home* Mark L. Warner, 1998 Loving care at home is the most desirable situation for many Alzheimer's sufferers and their families, but it is difficult to realize. Warner's thoughtful book aims to help by showing how to make a home more navigable, comfortable, and just plain livable for the Alzheimer's patient. Nicely presented and well illustrated, the book deals with rearranging and remodeling the patient's living space clearly and concisely and also addresses thinking-related issues such as the misinterpretations, hallucinations, and delusions attendant on the disease. In short, Warner strives for comprehensive coverage of the specifics of caring for afflicted loved ones in the home. A generous directory of relevant products and manufacturers and a helpful glossary further distinguish this superlative resource for home caregivers.
