## **The Hope:**

*The Hope of the World* Nicholas Murray Butler, 1944

*The Hope of the Family* Cardinal Gerhard Mller, 2014-10-07

Today the family is in crisis it is in crisis worldwide Pope Francis has said Young people don t want to get married they don t get married or they live together Marriage is in crisis and so the family is in crisis The main problem with the family in the Church today contends Gerhard Cardinal Mller is not the small number of civilly remarried divorced Catholics who want to receive Holy Communion It is the large number of Catholics who live together before marriage who marry civilly or who do not even bother with marriage as if these choices were sound options for Catholic living Furthering the problem is the widespread failure of married Catholics to understand marriage as a way of Christian discipleship In this engaging conversation Cardinal Mller one of Pope Francis top advisers in the Vatican addresses the challenges facing marriage and family life today The loss of faith in many traditionally Christian societies has led to a crisis In turn cohabitation civil marriage and divorce and civil remarriage further undermine faith because they harm the family as the domestic Church and the place of initial evangelization Thus the Church must undertake a robust new evangelization of the family sharing the fullness of truth about marriage and family in Christ encouraging families to worship and to pray together and helping them to witness by their lives the joy of the gospel Cardinal Mller stresses mercy and compassion in pastoral ministry with struggling Catholics but he does so without either contradicting the teaching of Jesus about divorce and remarriage or minimizing the power of grace to transform lives In this way he proclaims hope for the family rooted in the gospel of Jesus Christ

The Hope of Salvation

Harding, 2008-04 Today many churches teach that once a person believes and trusts in Jesus Christ their Salvation is assured They can know with certainty that they will go to heaven no matter what The churches further teach that the individual has no part to play in their salvation God does it all These teachings are not Biblical The Bible teaches that no person can know their ultimate destiny The best one can do is to live a life of demonstrated faith and hope they will make it to heaven Indeed a person does have a part to play in their destiny and by their choices they can stay on the pathway that leads to salvation or they can depart from it This book clarifies the Biblical path to Salvation articulates a Biblical argument that refutes the assurance of salvation doctrine and reveals the spiritual dangers that are produced by this teaching Harding Hedgpeth is a professional test pilot and the holder of 9 aviation world records set in the B 1 Bomber He has no formal theological training He does not belong to any formal church As he characterizes himself he is a disciple of Jesus Christ cleverly disguised as a test pilot Harding was raised as a Presbyterian married a Catholic and didn t realize that the Bible was God s truth until 1987 when he was 40 years old He has immersed himself in the study of God s Word ever since The study of God s Word led him to realize that today s churches are leading their parishioners astray in some important areas

One of those areas is the doctrine of the assurance of salvation Accordingly Harding felt a strong compulsion to write this book Though a relatively short book it has taken four years to research and one year to write     **The Precious Pearl of Hope in the Mercy of God** ,1878     The gospel pulpit.
