The Houdini Box Brian Selznick, 2001-09 A chance encounter with Harry Houdini leaves a small boy in possession of a mysterious box one that might hold the secrets to the greatest magic tricks ever performed      **The Houdini Box** ,2001 A chance encounter with Harry Houdini leaves a small boy in possession of a mysterious box one that might hold the secrets to the greatest magic tricks ever performed      **Houdini's Box** Adam Phillips, 2016-08-30 Why are we all so spellbound by ideas of escape and yet so dismissive of mere escapism Houdini's Box explores four different escape artists There is the case history of a little girl who is oddly committed to playing her own wayward version of hide and seek There is Harry Houdini the Greatest Magician the World has Ever Seen who electrified the world through a series of death defying escapes compulsively re inventing and re enacting his own confinement There is a man who Jonah like is always arriving at the place he was escaping from who thinks it is his destiny to be in flight whether from women or from his analyst And finally the poet Emily Dickinson who for the last twenty years of her life finds freedom in self imposed solitary confinement In this his most captivating book to date Adam Phillips reminds us why people often feel most alive in the very moment of escape But whether we are getting away from something or getting away with something as Icarus or Oedipus or Narcissus as victims or tyrants we cannot describe ourselves without also describing what we need to escape from and what we want to escape to

**The Houdini Conspiracy** Christopher G. Owen, 2021-10-11 It is the 1920s and Catholic leaders do not want another wave of spiritualism in America especially after barely containing the last one Now as a new organization emerges armed with their own bible they fear they are about to witness a highly organized attack on the religious hegemony in the New World One of the leaders of this organization is Cora Richmond a deep trance medium who has just authored a troubling book Erik Weisz otherwise known as the Great Houdini is a world class showman and flamboyant self promoter who is in the waning days of his career when he receives the commission of a lifetime from his handlers to lead a worldwide crusade to destroy the spiritualist movement in America so it will never recover to its former level As established religions of the world based on a flimsy patchwork of myth and stolen history find their champion in Houdini now only time will tell if he can singlehandedly sabotage humanity's age old quest for spirituality and create a heroic legacy that will endure for generations to come In this fascinating tale the Great Houdini is commissioned to lead a global crusade to destroy a modern spiritualist movement in America      **The Life and Afterlife of Harry Houdini** Joe Posnanski, 2020-10-13 Joe Posnanski enters the colorful world of Harry Houdini and his legions of devoted fans to explore the illusionist's impact on global culture and why his legacy endures to this day Nearly a century after Harry Houdini died on Halloween in 1926 he feels as modern and alive as ever The name Houdini still leaps to mind whenever we witness a daring escape The baby who frees herself from her crib Houdini The dog who vanishes and reappears in the neighbor's garden Houdini Every generation produces new disciples of the magician from household names in magic like David Copperfield and David Blaine to countless other followers whose
