In Face of the Facts Richard Wightman Fox,Robert B. Westbrook, Lee H. Hamilton,2002-11-07 Recently there has been a renewed interest in moral inquiry among American scholars in a variety of disciplines This collection of accessible essays by scholars in philosophy political theory psychology history literary studies sociology religious studies anthropology and legal studies affords a view of the current state of moral inquiry in the American academy and it offers fresh departures for ethically informed interdisciplinary scholarship Seeking neither to reduce values to facts nor facts to values these essays aim to foster discussion about inquiry and moral judgment and demonstrate that moral inquiry need not be either dispassionate and value free or moralistic and preachy **Hitler's Pianist, Roosevelt's Secret** Craig A Olson,2025-12-10 The largely untold saga of Ernst Putzi Hanfstaengl is one of the most fascinating and unlikely stories that took place before and during World War II How is it possible that a Harvard graduate friend to both Franklin and Teddy Roosevelt became one of Hitler s closest friends only later to assist Franklin Roosevelt and the Allies as a secret adviser Putzi helped Hitler rise to power and became his foreign press chief once the Nazis took power in 1933 He later fled Germany and interned in England as an enemy alien once war broke out in September 1939 He was eventually shipped off to an internment camp in Canada where he was able to smuggle out a letter to President Roosevelt offering his help to the Allies Roosevelt accepted his offer and brought Putzi secretly to the DC area And in an astonishing twist of fate Roosevelt enlisted Putzi s only son American born Egon by then a US Army sergeant to act as Putzi s guard and secretary Hanfstaengl s story is one of intrigue vanity ethical and moral failure and in the end redemption circumscribed by two of the most important figures in modern history Nazi Propaganda Activities by Aliens in the United States United States. Hitler's Words Adolf Hitler, American Council on Public Affairs, 1944 **The Truth about the Book the Nazis Like** National Council of American-Soviet Friendship (U.S.), 1945 **Hitler's Jewish Soldiers** Bryan Mark Rigg, 2002 On the murderous road to racial purity Hitler encountered unexpected detours largely due to his own crazed views and inconsistent policies regarding Jewish identity After centuries of Jewish assimilation and intermarriage in German society he discovered that eliminating Jews from the rest of the population was more difficult than he d anticipated As Bryan Rigg shows in this provocative new study nowhere was that heinous process more fraught with contradiction and confusion than in the German military Contrary to conventional views Rigg reveals that a startlingly large number of German military men were classified by the Nazis as Jews or partial Jews Mischlinge in the wake of racial laws first enacted in the mid 1930s Rigg demonstrates that the actual number was much higher than previously thought perhaps as many as 150 000 men including decorated veterans and high ranking officers even generals and admirals As Rigg fully documents for the first time a great many of these men did not even consider themselves Jewish and had embraced the military as a way of life and as devoted patriots eager to serve a revived German nation In turn they had been embraced by the Wehrmacht which prior to Hitler had given little thought to the race of these men but which was now forced to look deeply into the ancestry of its soldiers The process of investigation and removal however was marred by a highly inconsistent application of Nazi law Numerous exemptions were made in order to allow a soldier to stay within the ranks or to spare a soldier s parent spouse or other relative from incarceration or far worse Hitler s own signature can be found on many of these exemption orders But as the war dragged on Nazi politics came to trump military logic even in the face of the Wehrmacht s growing manpower needs closing legal loopholes and making it virtually impossible for these soldiers to escape the fate of millions of other victims of the Third Reich Based on a deep and wide ranging research in archival and secondary sources as well as extensive interviews with more than four hundred Mischlinge and their relatives Rigg s study breaks truly new ground in a crowded field and shows from yet another angle the extremely flawed dishonest demeaning and tragic essence of Hitler s rule **In Fact** ,1947 **Germany Under Hitler** Mildred Salz Wertheimer, 1935 **Inside Hitler's High Command** Geoffrey P. Megargee, 2000 Challenging previous accounts Megargee shatters the myth that German generals would have prevailed in World War II if only Hitler had not meddled in their affairs Instead he observes that the military s strategic ideas were no better than Hitler s and often were worse 20 photos *The Freethinker* ,1987 *The Rise and Fall of the House of Ullstein*

Herman Ullstein, 1943 The Jewish vice president of the biggest publishing concern in Germany tells his story of why he had to give it up and get out of Hitler's Germany **The Unknown Hitler** Ernst Hanfstaengl, 2005 A forgotten eyewitness book about Hitler's rise to power with new material on the author In the Spring of 2003 the BBC will feature a high profile documentary on Hitler's rise to power One of the key books used for this series will be The Unknown Hitler by his foreign press secretary Ernst Putzi Hanfstaengl After the Nazis came into power Hanfstaengl was asked to go on a mission to Spain during which he was to be thrown out of his plane This edition will include for the first time his report to the Americans and a recently classified report by the SOE on Hanfstaengl's character **Moral Facts and Moral Explanations** Ida L.
