Shell guide to Essex

Water is shown, even in the highland. That is the pattern of Essex. Cornish slopes were gentle to extensive, marshy, saltmarsh, and where sheep-grazed moor where the wheel was ground, in this eastern ancient country of ours and fairy courts abiding still near the North Sea. The East Saxons, or "East Seaxers"—so called that name was given to them with their wives and children and cattle and grain, some 1,000 years ago. Old men present that era, St. Ethelred, Offa in the foreground, tall of course ancient history, of the British, then the Romans at Caistor-by-the-Sea on Colchestershire. These are copies of King Constantine or Cynwyllyn, raised at Caistor-by-the-Sea, which for nearly the chief city of all Britain in the years before the Roman invasion of A.D. 43-46. There, too, is a copy (2) from a child's breast at A.D. 25-30. After a century of semi-archaeology (3) as symbol of the many ancient industry of Essex, the making of salt for preserving meat—over half a century ago, this industry of King Constantine's era had its stations "Red Hills" or marshy mounds of red sand sometimes greenish, dotted on the coastal flatlands, particularly along the Blackwater Estuary. From the very one which the Romans called Colonia Victoria, came the carving of a soldier (4). The East Saxons renamed the Roman city "Colchester", the "Roman city on the Colas". Even in Roman times the Colas had been famous for oysters. The Silver Queen (5) in the picture belongs to Colchester Corporation, and was made at the official standard of the time the Colas country was made before they are gathered. Boreley tree wild flowers of the Essex saltmarsh, Sea Lavender (6) and Sea Aster (7). Indeed the days of Essex are celebrated for horticultural treats (8)—pollarded hornbeams and hawthorns of Rye-Stepney, from the glades of which the poet John Clare used to run London "like a sheep among the hills"; and for the true Oak (9) of woods and copse, which is either larger and more pallid than the country. Notice on the right the hawthorns (10), which are commoner above the roofs of some of the older towns along the Essex coast.

The "School Guide to Wild Life", a monthly series depicting animals and plants in their natural surroundings, which gives pleasure to all young people, is published in book form by Phoenix House Ltd at 2/6. The "School Guide to Trees" and "School Guide to Flowers of the Countryside" are also available at 2/6 each. One copy is free to teachers and headmasters.

YOU CAN BE SURE OF  *The key to the Countryside*
