The Day the Holy Spirit Blew In Donovan Jerubaal, Claire Jerubaal, 2009-07 Devils Dreams and Destiny Out in the darkness the voice boldly declared Did you ever dream a dream and see it clearly in your mind s eye This is the true story of a man s journey into the natural phenomena of the prophetic A fantastic journey through darkness straight to the light where one man had the courage to sacrifice all to serve God with all of his heart all of his soul all of his mind and all of his strength A journey where he became a mighty warrior in a Kingdom far far away to rescue the damsel in distress the orphaned children and set the captives free Many followed him on the path Will you be one of them Dare to Dream Big Authors Claire and Donovan Jerubaal God deliberately chose things the world considers foolish to shame those who think they are wise He chose those who are weak to shame those who are powerful God chose the things despised by the world things counted as nothing at all and used them to bring to nothing what the world considers important so that no one can boast in the presence of God The Bible Romance, illustrated, a complete weekly novelette ,1897 **How to Be the Love You Seek** Dr. Nicole LePera, 2023-11-28 INSTANT 1 NEW YORK TIMES BESTSELLER A practical reader friendly and inspiring primer on how to extend true connection and love to others Gabor Mat M D New York Times bestselling author of The Myth of Normal From the author of the 1 New York Times bestseller How to Do the Work comes this paradigm shifting guide to healing your relationships beginning with the one you have with yourself Relationships have always been essential to human survival Our bodies and brains are programmed to seek out connection whether familial romantic or platonic And yet these vital bonds are often at the root of our deepest suffering While our hearts are primed for compassionate connection our nervous systems which store all our past hurts and disappointments are wired for threat and negativity For decades leading relationship advice has maintained that successful relationships require a specific compromise that we must change our authentic expression to better meet the needs of others and vice versa It may sound reasonable in theory but as Dr LePera explains this approach is nothing less than a recipe for a lifetime of resentment In How to Be the Love You Seek 1 New York Times bestselling author Dr LePera whose integrative holistic approach to psychology has attracted an international audience of millions offers a new path to healing our relationships Harnessing the latest scientific research she teaches us to recognize how unmet needs from our earliest relationships create our current dysfunctional relationship patterns and leave us in a state of constant internal threat even with those closest to us This book the last in her How To trilogy illuminates the way out of trauma bonds and into relationships rooted in mutual respect and compassion In it you will learn how to create safety in your own body and mind identify your unmet needs develop emotional resilience cultivate heart coherence to build deep emotional connections with others and maintain healthy interdependence in our communities Whether you struggle to maintain the kinds of relationships you want or are facing a specific challenge with a spouse partner parent sibling child friend or colleague Dr LePera teaches us how to break painful cycles and reconnect with the wisdom appreciation and
