## The Films Of Laurel Hardy:

The Films of Laurel and Hardy William K. Everson, 1967 Ninety nine Laurel and Hardy comedies are fully documented with cast lists credits and synopses The actors careers are traced before their work together including the evolution of their many characterizations *What Was The Film When? The Movies of Laurel and Hardy* Mark Potts, Dave Shephard, 2007

*The Complete Films of Laurel and Hardy* William K. Everson, 1991 *De wereld van Laurel en Hardy* Thomas Leeftang, 1985 **Vrolijke wetenschap / druk 1** Thomas Leeftang, 2005 Informatie over en filmografie van alle films van Stan Laurel en Oliver Hardy **The Laurel and Hardy Films** James L Neibaur, 2025-05-25 The history of the films of Stan Laurel and Oliver Hardy **Laurel & Hardy: The Magic Behind the Movies** Randy Skretvedt, 2019-01-15 Randy Skretvedt's seminal LAUREL HARDY THE MAGIC BEHIND THE MOVIES is generally acknowledged as the gold standard in writing about the work of Stan Laurel and Oliver Hardy Since the book's original release in 1987 it has been updated several times through the early 1990s But over the last 15 years author Skretvedt has been compiling an Ultimate Edition of his master work with nearly 50% more text and quadruple the number of photos of previous editions Featuring exclusive interviews with the team's co workers and unfiled scenes from rare scripts it describes in the fullest possible detail how Laurel and Hardy created their classic films In addition Close to 800 of the images are new to this edition and include many never before published one of a kind pictures from Babe Hardy's personal collection Exclusive quotes and fascinating anecdotes from interviews with more than 60 of the team's co workers including producer Hal Roach editors Richard Currier and Bert Jordan musical director Marvin Hatley actresses Anita Garvin and Dorothy Granger and actor Henry Brandon Detailed accounts of hilarious unused scenes culled from the original scripts Details about the locations where the team filmed many of their most famous scenes Full cast and credit information for each film providing the names of all the players and their roles as well as previously unknown members of the technical crews And full information about the musical scores including the titles of all cues and names of composers Full information on the many films which are still missing as well as a section about the new short subjects created for TV Stan and Ollie Simon Louvish, 2005-07-01 Stan Laurel and Oliver Hardy have remained from 1927 to the present day the screen's most famous and popular comedy double act celebrated by legions of fans But despite many books about their films and individual lives there has never been a fully researched definitive narrative biography of the duo from birth to death Louvish traces the early lives of Stanley Jefferson and Norvell Hardy and the surrounding minstrel and variety theatre which influenced all of their later work Louvish examines the rarely seen solo films of both our heroes prior to their serendipitous pairing in 1927 in the long lost short Duck Soup The inspired casting teamed them until their last days Both often married they found balancing their personal and professional lives a nearly impossible feat Between 1927 and 1938 they were able to successfully bridge the gap between silent and sound films which tripped up most of their prominent colleagues Their Hal Roach and MGM films were brilliant but their move in 1941 to

Twentieth Century Fox proved disastrous with the nine films made there ranking as some of the most embarrassing moments of cinematic history In spite of this Laurel and Hardy survived as exemplars of lasting genius and their influence is seen to this day The clowns were elusive behind their masks but now Simon Louvish can finally reveal their full and complex humanity and their passionate devotion to their art In Stan and Ollie The Roots of Comedy The Double Life of Laurel and Hardy Louvish has seamlessly woven tireless and thorough research into an authoritative biography of these two important and influential Hollywood pioneers

**Films of Laurel and Hardy** William K Everson,1983-10-01 **Another Fine Dress** Jonathan Sanders,1995 This work challenges the orthodox view of Laurel and Hardy as innocent slapstick clowns suitable mainly for children Through a detailed film by film analysis the author reveals Stan and Ollie as complex characters whose role play involves not only ambiguities of age and class but gender reversal and mock eroticism as well The book includes a concordance of gags and situations in the team s 106 movies This book will fascinate not only Laurel and Hardy buffs but anyone interested in sexual politics and the cinema

The Laurel & Hardy Movie Scripts: 20 Original Short Subject Screenplays (1926 - 1934) Randy Skretvedt,2018-06-18 Stan Laurel and Oliver Hardy improvised many of the scenes for their classic comedies while the cameras were rolling which meant that some excellent material in their scripts was lost until now Twenty complete original screenplays for their short subjects are presented here for the the very first time They include a treasure trove of unused but hilarious comedy routines Among them is the entire script for a proposed 1926 comedy never filmed which would have been the comedians first film as a team The scripts are illustrated with 150 rare photos many of them vividly depict the process of making the films Introductions for each entry detail the fascinating differences between the scripts and the movies made from them Full cast and credit information is also included This collection of fabulous rarities is essential for any admirer of Stan and Ollie

The Final Film of Laurel and Hardy Norbert Aping,2014-01-10 The remarkable story behind the planning development and marketing of Laurel and Hardy s ill received final film Atoll K has been little explored Details on the script development cast crew locations and even basic information on running times and release dates have been sketchy at best since the film s 1951 release This work reconstructs the circumstances surrounding this unusual international co production Atoll K was a French Italian film with English speaking stars Through lost documents detailing the film s production and funding previously unreleased behind the scenes photos and a rare interview with French movie star Suzy Delair the author explores the continuous changes to the film s script during its chaotic production and the final marketing of the film s many different versions Atoll K was also released as Robinson Crusoland in the United Kingdom and as Utopia in the United States Several appendices detail alternative sequences and cut scenes in various versions of the film and include French box office reports from 1951 to 1952 as well as a complete filmography

Laurel Or Hardy Rob Stone,David Wyatt,Randy Skretvedt,1996 The Art of Laurel and Hardy Kyp Harness,2015-01-09 From the early days of film came Laurel and Hardy a comedy team that created slapstick hilarity from life s simplest

situations Some seventy years after their heyday Arthur Stanley Jefferson and Oliver Norvell Babe Hardy are still remembered for the comic chaos they created in film shorts They gave us something to laugh at by reminding us of our own foibles in a way that was genuine and unpretentious The lanky Stan Laurel 1890 1965 and portly Ollie Hardy 1892 1957 had but one objective to create as many laughs as would fit in one short film And that they did The book begins by exploring their comedy in the early days of film A chapter is dedicated to each of the boys Laurel from Ulverston England and Hardy from the state of Georgia as a person and performer Further chapters explore the slapstick and gags of Laurel and Hardy and how the pair survived the transition to sound that left behind many actors of the day It was only when they began to work for large studios churning out cookie cutter scripts that their art began to lose its way The book takes the reader through the ups and downs of their careers and to a final comeback A filmography lists works from 1917 to 1951 with information on availability

*Laurel and Hardy* Bruce Crowther, 1987 Charts the glittering career of the best loved faces in the film world With a foreword by Ernie Wise this volume follows the laughter making pair from their early days in Hal Roach's silent comedies through the transition to sound to the Hollywood features of their later years

*The Making of Laurel and Hardy* Danny Lawrence, 2019-11-22 Stan Laurel and Oliver Hardy had been around for a long time pursuing entirely separate careers before they became Laurel and Hardy In 1926 they were both only moderately successful performers and Stan had come close to giving up acting altogether Yet by 1927 after the release of *Duck Soup* they had been transformed into a comic partnership which would soon make them international stars The book first describes the individual careers and long roads that eventually brought Laurel and Hardy together on the set of *Duck Soup* the pivotal film which gave birth to their wonderful comic partnership The book then analyses the origins and the making of *Duck Soup* Although made in the Hal Roach Studios it was not conceived or written by any of the studios long established writers The film was very much the creation of one of its recently appointed and least experienced writers and directors That person was Stan Laurel In trying to understand the making of *Duck Soup* two things stand out clearly The first is that it was Stan Laurel himself who wrote the screenplay for that first breakthrough Laurel and Hardy film The second is that it was Stan Laurel's father Arthur Jefferson who wrote the theatrical sketch on which Stan's screenplay was based Remarkably 20 years since its first performance Stan Laurel turned to it to try to break his long run of only limited success in films and establish himself as someone of consequence in the Hal Roach Studios It is a remarkable testament to Arthur Jefferson's talents that his little sketch did the trick and that it was the first vehicle for the sublime comic partnership of Laurel and Hardy The original film is now lost but versions are in circulation made up from subsequent now incomplete releases The differences between them in terms of visual content and sometimes marked variations in their subtitles is compared in detail Before the making of *Duck Soup* Stan Laurel and Oliver Hardy were no more than acquaintances who had worked together a few times in varying roles on film sets They went on to create an enduring on screen friendship able to survive all sorts of adversity and misfortune which made

them hugely popular around the world In time their on screen friendship blossomed into a deep real life personal friendship Sadly their real lives bore some resemblance to the situations they found themselves in so many times on screen They not only played in scenes of marital discord on film sets but had to endure them in real life When their film careers ended they were out of work just as they had been so often on screen Their circumstances obliged them to make three arduous tours of UK variety theatres although the gruelling nature of their schedules was tempered by the love and appreciation they encountered as they criss crossed the country Then tragically just as their health had sometimes been an issue on screen they had to cope with real life health issues Yet such adversity only drew them closer together in real life as it had done on screen That is what is portrayed in Jeff Pope s film Stan and Ollie which went on general release in 2019 That film however is a fictionalised story of how the Laurel and Hardy partnership ended This book is the factual account of how it began

Laurel and Hardy's Comic Catastrophes Michael Bliss,2017-06-29 One of America s most beloved comic duos Stan Laurel and Oliver Hardy have entertained generations of viewers with their unique heartwarming brand of slapstick comedy The pair s teamwork and friendship set their films apart softening both pratfalls and hardships and earning them a cherished place in cinema history From their first joint on screen appearance in 1921 s The Lucky Dog through their work at the Hal Roach studios their comic signature remained unique But what made the films of Laurel and Hardy so enduring In Laurel and Hardy s Comic Catastrophes Laughter and Darkness in the Features and Short Films Michael Bliss illustrates why these films continue to make audiences laugh Combining an appreciation for the pleasure that these films elicit with a critical examination of what made them work Bliss first investigates the milieu in which the pair s comedy takes place The author then explores Stan and Ollie s friendship and their troubled and troubling relationships with women The book also features a detailed discussion of Stan Laurel s approach to gag structure while the remainder of the book focuses on many of the pair s silent and sound films such as Duck Soup Pack Up Your Troubles Chickens Come Home and The Music Box By delving into the pair s films including several neglected short films in greater detail than any previous work this volume provides readers with a fundamental understanding of Stan and Ollie s universal appeal Featuring an extensive filmography Laurel and Hardy s Comic Catastrophes will engage a wide audience from film scholars to fans of humor everywhere Laser Video Guide

,1997 The complete laser disc catalog movies music and special interest including karaoke and animation **The Life and Times of Laurel and Hardy** Ronald Bergan,1992 *Laurel and Hardy* Neil Grant,Rh Value Publishing,1995-07 Stan Laurel and Oliver Hardy were the ultimate comedy team They were partners in fun for thirty years friends as well as co workers they claimed never to have had a serious argument Here Stan and Ollie talk about the first time they went on stage the characters they played how they worked together and going on tour They recall working with other comedy greats including Charlie Chaplin and reveal how their standard gags came about There are also tales of back stage antics plus the classic Stan and Ollie lines from the early talkies and the feature films If you love a good laugh you will delight in this book which

includes the best film stills from the Laruel and Hardy films and pictures of the comedians off screen lives
