

## AP Biology Summer Review

### Scientific Inquiry What do scientists do?

#### Why?

Science is a unique way of learning about the natural world. Scientists work hard to explain events, living organisms, and changes we see around us every day. Model 1 depicts typical activities or stages scientists engage in when conducting their work. The design of the model shows how various steps in scientific inquiry are connected to one another. None of the activities stands alone—they are all interdependent.

#### Model 1 – Scientific Inquiry

What is the central theme of all scientific inquiry as shown in Model 1?
