Touch Screen Tablets Touching Children's Lives Joanne Tarasuik, Gabrielle Strouse, Jordy Kaufman, 2018-02-28

Touch screen tablets have greatly expanded the technology accessible to preschoolers toddlers and even infants given that they do not require the fine motor skills required for using traditional computers Many parents and educators wish to make evidence based decisions regarding young children s technology use yet technological advancements continue to occur faster than researchers can keep up with Accordingly despite touch screen tablets entering society more than 5 years ago we are in

the infancy of research concerning interactive media and children The topic has gained traction in the past couple of years For example theoretical papers have discussed how interactive media activities differ from physical toys and passive media Christakis 2014 and how educational apps development should utilise the four pillars of learning Hirsh Pasek et al 2015 Yet there has been little experimental research published on young children and touch screen use **Brilliant Activities for Reading Comprehension Year 3** Charlotte Makhoul,2015-12-02 The importance of being able to read for meaning should never be underestimated The ability to decode text is not enough It is vital that children understand what they are reading More importantly it is fundamental that they enjoy what they are reading so that they grow up to become lifelong readers The passages in the Brilliant Activities for Reading Comprehension series are designed to do just that They provide children with a variety of engaging enjoyable texts that will grab their attention and indeed their teacher s attention as well The types of comprehension passages range from newspaper articles and dialogues to plays stories and poems They gradually increase in difficulty as you progress through the book and through the series encouraging children to develop their ability to read for meaning and use a range of strategies to engage with the text Tasks range from simple factual recall and vocabulary work to more open ended questions enabling the reader to provide a more personal response The cross curricular activities provide a wealth of ideas for extending the passages further and are ideal for fast finishers *Reports from Commissioners* Great Britain.
