

The background of the book cover is a vibrant underwater scene. A sea turtle is positioned in the upper left, its head and front flippers above the water. In the center, a great white shark swims towards the viewer, its mouth slightly open. To the right, a manta ray is shown from a side-on perspective, its internal organs visible through its translucent body. The bottom of the image features a coral reef with various species of coral in shades of purple, pink, and red. A large, spiny sea urchin is centered in the middle ground. A small, colorful nudibranch is visible on the left, and a yellow starfish is on the right. The water is a clear, translucent blue.
