## Stop Making Yourself Sick:

**The Palm at the End of the Mind** Michael Jackson, 2009-02-20 Through sixty one beautifully crafted concise essays the anthropologist Michael Jackson reflects on life situations where we are sometimes thrown open to new ways of understanding ourselves and connecting with others Almost Doesn't Count Electa Rome Parks, 2005-08-02 She can almost front at how she doesn't need a man She can almost play at how far she's come from the old hood She can almost pretend that the past doesn't mean a thing But everybody knows Almost Doesn't Count Mercedes decided a long time ago that she'd never let a man walk all over her the way some sistahs do Love was something from fairy tales and TV movies of the week She needed men for one thing only and it had nothing to do with her heart Growing up with her mother had made sure of that Now Mercedes has to travel home to South Georgia where her mama Miss Betty is recovering from surgery Back to the rickety old house that holds a lot of memories for her If she could only learn to deal with the bad ones Because a man has come into her life a fine bald headed church going black man the kind of man Mercedes never dared believe in And she's going to have to get herself together to deal with what Darius is doing to her life and with what he's hiding about his own

**Delayed Pilgrims** Rudi Binder, 2004-09-01 Delayed Pilgrims is the story of two Austrian physician immigrants Walt and Linda Wagner In the United States they first worked in medical centers and soon found themselves caught in a web of infighting among superiors Tired of the whims of departmental intrigues the Wagners left and after overcoming numerous obstacles practiced medicine in the countryside In an occasionally bumpy yet enduring marriage they raised two boys who asked many questions about the meaning of human existence With subtle humor the story shows their struggle to find a niche in the New World *Breaststrokes* Margaux Vialleron, 2024-05-09 Sharply observed and painfully relatable Breaststrokes is a novel that seems to emerge from the haze of our current time This story of unexpected encounters and intimacies is perfect for fans of Cleopatra and Frankenstein and Beautiful World Where Are You Cloe and Gertrude and the Jenkins Bell sisters Mathilde and Sarah have never met They are strangers who share a city It is Sunday morning Cloe has woken up in someone else's home Gertrude starts her shift in the pub kitchen while Mathilde and Sarah are on their way to lunch Soon these four women's lives will overlap Saturday felt like a normal day but on Sunday the past will catch up with them as they realise that there never is only one side to a story A study of womanhood vulnerability and the secrecy of the inner life Vialleron's writing is laced with a love for these women who can barely love themselves A novel for anyone interested in the way the body keeps score or in the complex intimacies between women Rowan Hisayo Buchanan A tender lyrical novel about the ripples caused when consent is taken away from women and the loneliness this causes even when you're surrounded by people It will tug at your heart strings Araminta Hall Reading Breaststrokes felt a little like watching ribbons unfurl or intertwine Margaux Vialleron writes tenderly and evocatively about female friendship fear and desire Chlo Ashby Miami Nights: The Complete Series Books 1-5 Marie Force, 2024-06-04 A steamy contemporary romance series
