A Fair Prospect Cassandra Grafton,2013 A Fair Prospect is a story inspired by Jane Austen's Pride and Prejudice. It is told across three volumes. Volume III Desperate Measures is the concluding part. Reeling from the news of Elizabeth's engagement to Harington and desperate to avoid any possible further encounter as much for the lady's sake as his own, Darcy seeks distraction removing to the West Country with his sister and cousin where they prepare to embark on a journey to Dublin. Elizabeth meanwhile is struggling with an inexplicable lowness of spirit following the gentleman's removal from Town. Fate however has unfinished business with them both and before long the lady is travelling to the West Country herself. As Darcy strives to leave the past behind will Elizabeth realise where her heart truly lies and if so can she find a way of letting Darcy know her feelings have changed or is it too late for them both

Whether he was editing his own speech in a newspaper office or inviting reporters to the White House to leak a story the President skillfully steered the Union through the perils of war by playing his own version of the public relations game
