**Raymond Benjamin Blake, Penny  
Bryden, J. Frank Strain**

## **Interests Of State The Politics Of Language Multiculturalism And Feminism In Canada:**

**Interests of State** Leslie Alexander Pal, Leslie A. Pal, 1995 An exploration of the direct funding of advocacy groups by the government Focusing on groups concerned with the official languages multiculturalism and women s issues Leslie Pal argues that funding is not neutral but is driven by state interests and by a national unity agenda **Feminist Activism in the Supreme Court** Christopher P. Manfredi, 2004 Since 1980 the Canadian women s movement has been an active participant in consitutional politics and Charter litigation This book through its focus on the Women s Legal Education and Action Fund LEAF presents a compelling examination of how Canadian feminists became key actors in developing the constitutional doctrine of equality and how they mobilized that doctrine to support the movement s policy agenda The case of LEAF an organization that has as its goal the use of Charter litigation to influence legal rules and public policy provides rich ground for Christopher Manfredi s keen analysis of legal mobilization In a multitude of areas such as abortion pornography sexual assault family law and gay and lesbian rights LEAF has intervened before the Supreme Court to bring its understanding of equality to bear on legal policy development This study offers a deft examination of LEAF s arguments and seeks to understand how they affected the Court s consideration of the issues Perhaps most important it also contemplates the long term effects of the mobilization and considers the social impact of the legal doctrine that has emerged from LEAF cases A major contribution to law and society studies **Feminist Activism in the Supreme Court** is unparalleled in its analysis of legal mobilization as an effective strategy for social movements It will be widely read and welcomed by legal scholars political scientists lawyers feminists and activists **Lesbian and Gay Rights in Canada** Miriam Catherine Smith, 1999-01-01 Using archival material that has largely been ignored as well as interviews with Canadian activists Smith investigates the ways in which the Canadian lesbian and gay movement has changed in response to the Charter of Rights and Freedoms

**Women's Studies** Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women s studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women s studies is a must purchase for academic libraries that support women s studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women s studies in the last decades of the 20th century The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s

studies information for each title along with a detailed often evaluative review The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject Most reviews cite and describe similar and contrasting titles substantially extending the coverage Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women's studies It is a must purchase for academic libraries that support women's studies programs and a welcome addition to any academic or public library that endeavors to represent the field

**The Sixties** Dimitry Anastakis, 2008 For those who did not live through the experience of the Sixties it is often difficult to comprehend this tumultuous period Even those who lived through the era and have studied the Sixties have wrestled with its deeper meaning While the Sixties' ultimate meaning remains elusive there can be no doubt that the period's transformative effect upon Canadians culturally politically and economically was immense From arts and architecture to politics and protest the decade has attained near mythical status leaving an undeniable influence on virtually every aspect of Canadian life The images sounds and tastes of the decade remain an indelible part of our own twenty-first century experience yet for a decade that remains so well defined within the public memory the Sixties left behind an ambiguous historic legacy for those who study the period Taking a multidisciplinary approach that includes history architecture art political science and journalism this volume provides fresh new perspectives on Canada's loudest liveliest and most debated period Four decades after Canada's own Expo 67 summer of love this timely book explores issues from de Gaulle and driver education to Trudeau Vietnam and Africville all through the colourful kaleidoscope of the Sixties

**Advocacy Groups** Lisa Young, Joanna Everitt, 2011-11-01 Seventy percent of Canadians think that advocacy groups are a better vehicle for change than political parties however people involved in these groups are actually more involved in traditional political circles and party politics This volume looks at who participates in these groups which kinds of groups dominate the political agenda what influence lobbying has on the government and how exactly to make advocacy groups a more vibrant and accountable part of political life in this country Advocacy Groups uses the Audit standards of responsiveness inclusiveness and participation to examine advocacy groups in Canada and assess the ways that they contribute to or detract from Canadian democracy It argues that group activity represents an important form of political participation Though some interests face greater organizational challenges than others advocacy groups can play critical compensatory roles for interests that are often unrepresented in traditional political institutions It also finds that while Canadian advocacy groups employ a wide range of strategies to draw attention to their concerns those with greater financial resources generally have greater access to government decision makers This has been accentuated by recent trends in the reduction of government funding to advocacy groups The book concludes with several recommendations for best practices that groups can follow in their internal organization and efforts to influence public policy as well as for actions that

governments can take to engage in constructive consultation with groups      **Women on the Defensive** Sylvia B. Bashevkin, 1998-06-08 Bashevkin combines individual voices with policy initiatives to provide the first complete picture of the recent past and uncertain future of contemporary feminism BOOK JACKET      The Politics of Pragmatism Alexandra Zorianna Dobrowolsky, 2000 This vital new work documents the constitutional struggles of leading feminist organizations in Canada It examines the complexities of women s constitutional organizing by assessing various feminist organizations strategies and tactics over time In doing so the book highlights some representation struggles of the women s movement as it crosses and recrosses representational boundaries      **Canadian Politics in the 21st Century** Michael S. Whittington, Glen Williams, 2000      **Gender and Politics in Contemporary Canada** François-Pierre Gingras, 1995 This is a collection of essays by different university researchers interested in how the lives of men and women are affected by politics The book adopts no specific ediology but readers will easily discover that all authors share the view that Canadian society and polity still treat men and women unequally This book is research oriented in that it presents interpretations based on well researched facts Most chapters have previously been presented at learned conferences and have been revised for inclusion in this collection      **The New Right and Democracy in Canada** David H. Laycock, 2002 Throughout the Western world the rise of the so called New Right is a growing phenomenon In Canada it has taken the form of the Canadian Alliance Party This book is the first critical examination of the Canadian Alliance and Reform Party ideology It addresses the most distinctive and politically significant dimensions of the party s understanding of and agenda for democratic politics in contemporary Canada

**The Welfare State in Canada** Raymond Benjamin Blake, Penny Bryden, J. Frank Strain, 1997      *Politics in Canada* Robert J. Jackson, Doreen Jackson, 1998      **New Books on Women and Feminism** , 1994      **Beyond Policy Analysis** Leslie A. Pal, 2005 Thoroughly updated with new and fresh examples Beyond policy analysis examines the shifting environment of public sector governance The text goes through the stages of policy formulation design implementation and evaluation but does so by looking at what has changed in the way governments operate today Unlike other texts Beyond policy analysis focuses on analytic tools and the conceptual side of public policy blending strong theory with vivid examples and real world context      *The Publishers Weekly* , 1993      **Choice** , 1993      *Women's Studies Index* , 1994      **Canadian Society** Harry H. Hiller, 2000      *Canadian Political Culture(s) in Transition* Hamish Telford, Harvey Lazar, 2002 Canada The State of the Federation 2000 01 probes beneath the surface to determine if the obvious changes the fractious federal party system the common sense revolution in government budgeting the re birth of the sovereignty movement in Quebec and the re assertion of Aboriginal claims are symptomatic of a shift in Canadian political culture Arguably political changes in Canada have been greater in the 1990s than in any other decade since Confederation but do these changes signify a shift in Canadian political culture Can we even speak of a Canadian political culture What are the consequences of these changes for the federation Are Canadians more or less united Are federal provincial relations better or worse What does the future hold The

authors attempt to answer these questions through analyses of the federal party system politics in the provinces and regions and political dynamics in a number of issue areas including Aboriginal politics the Charter multiculturalism the rural urban cleavage and social policy

Right here, we have countless book **Interests Of State The Politics Of Language Multiculturalism And Feminism In Canada** and collections to check out.
