*The Stand* Stephen King, 2020 This is the way the world ends with a nanosecond of computer error in a Defense Department laboratory and a million casual contacts that form the links in a chain letter of death And here is the bleak new world of the day after a world stripped of its institutions and emptied of 99 percent of its people A world in which a handful of panicky survivors choose sides or are chosen A world in which good rides on the frail shoulders of the 108 year old Mother Abigail and the worst nightmares of evil are embodied in a man with a lethal smile and unspeakable powers Randall Flagg the dark man In 1978 Stephen King published *The Stand* the novel that is now considered to be one of his finest works But as it was first published *The Stand* was incomplete since more than 150 000 words had been cut from the original manuscript Now Stephen King's apocalyptic vision of a world blasted by plague and embroiled in an elemental struggle between good and evil has been restored to its entirety *The Stand The Complete And Uncut Edition* includes more than five hundred pages of material previously deleted along with new material that King added as he reworked the manuscript for a new generation It gives us new characters and endows familiar ones with new depths It has a new beginning and a new ending What emerges is a gripping work with the scope and moral complexity of a true epic For hundreds of thousands of fans who read *The Stand* in its original version and wanted more this new edition is Stephen King's gift And those who are reading *The Stand* for the first time will discover a triumphant and eerily plausible work of the imagination that takes on the issues that will determine our survival
