The Practice Of The Presence:

The Practice of the Presence of God Brother Lawrence, 2023-11-15 This devotional classic is a compilation of Brother Lawrence's letters and recorded conversations from the seventeenth century. Brother Lawrence was a simple French Carmelite lay brother who was able to achieve profound intimacy with God through the most mundane activities. He taught that the highest communion with God is not reserved for extraordinary moments but permeates the very core of our most ordinary days. He spent much of his time in the kitchen of a Paris monastery. He learned that our daily activities and thoughts could be acts of worship, engaging in opportunities to practice the presence of God by thinking about and loving God. Also included is Brother Lawrence's *Spiritual Maxims*, a collection of aphorisms and sayings that summarize his teachings. This timeless spiritual treasure has illuminated the hearts of many who yearn for the awe-inspiring knowledge of the divine presence in a hectic modern world. Features a foreword by Matthew Fox, author of *Sheer Joy*. [The Practice of the Presence of God](#) Laurent de la Résurrection, 1904 *The Practice of the Presence of God* Brother Lawrence, 2025-11-12 There is no greater joy than to find God in the midst of the simplest tasks. In this timeless spiritual classic, Brother Lawrence, a humble 17th-century monk, shares his profound discovery that divine peace can be found not in grand rituals but in the quiet rhythm of daily life. Through conversations and letters, he teaches that every act, no matter how ordinary, can become an act of worship when done with love and awareness of God's presence. Simple, sincere, and deeply transformative, *The Practice of the Presence of God* invites readers to live every moment with mindfulness and grace. For those who long for calm amidst chaos, this book is a gentle call to return to find the sacred in the ordinary and to walk through life in the constant companionship of the Divine. [The Practice Of The Presence](#) Brother Lawrence, 2020-03-26 The Practice of the Presence of God is a book of collected teachings of Brother Lawrence born Nicolas Herman a 17th century Carmelite friar compiled by Father Joseph de Beaufort The compilation includes letters as well as records of his conversations kept by Brother Lawrence s interlocutors The basic theme of the book is the development of an awareness of the presence of God About Brother Lawrence The first conversation in the book recounts Brother Lawrence s conversion to a deeper commitment to his Christian faith at 18 years old in the winter seeing a tree stripped of its leaves and considering that within a little time the leaves would be renewed and after that the flowers and fruit appear he received a high view of the Providence and Power of God which has never since been effaced from his soul At the age of 24 Brother Lawrence joined the Order of Discalced Carmelites in Paris taking the religious name Lawrence of the Resurrection He spent the rest of his life with this order dying on 12 February 1691 During his time as a friar he was much preoccupied with the cultivating a keen sensitivity to the presence of God in everyday life Theme The text attempts to explain Lawrence s method of acquiring the presence of God A summary of his approach can be gleaned from the following passages That he had always been governed by love without selfish views and that having resolved to make the love of GOD the end of all his actions he had found reasons to be well satisfied with his method That he was pleased when he could take up a straw from the ground for the love of GOD seeking Him only and nothing else not even His gifts That in order to form a habit of conversing with GOD continually and referring all we do to Him we must at first apply to Him with some diligence but that after a little care we should find His love inwardly excite us to it without any difficulty
