

“

Compassion Over Control Nakoa Rainfall,AI,2025-02-23 Compassion Over Control examines Jesus s teachings within the historical backdrop of Roman rule in first century Palestine revealing compassion as a potent form of resistance The book argues that Jesus s emphasis on compassion wasn t passive but a strategic challenge to worldly power It explores how gospel lessons on loving one s neighbor provided a revolutionary approach to ethical leadership and social change defying the oppressive socio economic norms of the time The book analyzes parables like the Good Samaritan demonstrating compassion as a deliberate strategy to challenge the status quo Beginning with the political and religious tensions under Roman occupation the narrative progresses through Jesus s teachings highlighting key passages and compassionate actions It concludes by exploring the relevance of Jesus s message for contemporary issues suggesting practical applications of compassion for social justice and ethical leadership

Laozi's "Daodejing" Steve Hallett,2026-02-15 Laozi s Daodejing A New Translation With Environmentalist Commentary offers a new translation and fresh interpretation of the eighty one verse Daodejing one of the central texts of Eastern philosophy Likely written during the late Zhou Dynasty between 600 400 BCE this foundational work is generally attributed to an individual named Laozi although it is unlikely that any such person actually existed Here author Steve Hallett employs contemporary poetic form when translating the document s approximately 5 000 Chinese characters and provides short analytical essays that illuminate the verses with a specific focus on the teachings they offer about social and environmental sustainability His examination of this 2 500 year old text suggests that perhaps not all our modern crises are as modern as they seem Much of what ails us today may involve the same foolishness that has ailed us for millennia Ultimately this timely study posits that lessons from the past can help us avoid making hasty decisions related to the environment and show us how to chart a calmer more patient and more persistent path toward a just and sustainable future

Mercy Gone Bad Jonah Chukwuemeka Agunwamba,2023-04-10 The book Mercy Gone Wrong expresses that all men are equal in all aspects except in exposure and ability to utilize opportunities that only God supplies Hence we have no reason to boast about our spiritual and material attainment and acquisition Rather as recipients of God s manifold mercies we should eagerly show mercy to all men as we have the opportunity In an in dept scriptural analysis the book discusses that God exhibits His mercy in all His dealings with man We should therefore by God s grace cultivate this special attribute integrate it into our relationships and view other people s failures from the periscope of mercy The author explains how the practice of God s kind of mercy can bring blessings to a man and his progeny drawing testimonies from his life and others The book illustrates how and how not to show mercy and the blessings that follow mercy givers In addition the book offers a guide to people with limited compassion or who lack the push to act on their compassion to improve and become good mercy givers In this era of economic recession when men tend to be selfish and interested only in their own affairs the book is a refreshing and motivating call for people to manifest abundant mercy while being watchful against the fraudulent practices of evil men Mercy is a vital tool for spreading the gospel in a hurting world
