

# Federal Impeachment Process A Constitutional And Historical Analysis

**Kermit Hall (ed),David S. Clark**

## **Federal Impeachment Process A Constitutional And Historical Analysis:**

*The Federal Impeachment Process* Michael J. Gerhardt, 2000 Throughout President Clinton's impeachment proceedings the contending sides agreed on very little. One exception was *The Federal Impeachment Process* the most complete analysis of the constitutional and legal issues raised in every impeachment proceeding in American history. In this edition Michael Gerhardt draws on his experience as a commentator and expert witness to examine the likely political and constitutional consequences of President Clinton's impeachment and trial. Placing the President's acquittal in historical perspective he argues that it fits easily within the impeachment process as it has evolved over the past two centuries. Impeachment he shows is an inherently political process designed to expose and remedy political crimes. Subject neither to judicial review nor to presidential veto it is a unique congressional power that involves both political and constitutional considerations including the gravity of the offense charged the harm to the constitutional order and the link between an official's misconduct and duties. Significantly updated this book will be the standard work on the federal impeachment process for years to come. On the first edition The most comprehensive analytic study of the federal impeachment process to date. Choice This book is by some margin the most successful analysis of impeachment issues to have been written and it will be the standard work for years to come.

**Constitutional Commentary Separation Of Powers: Documents and Commentary** Katy Harriger, 2003-02 The dozen introductory essays and 56 documents are designed to help spice up the usually dreary courses on the separation of powers in the US government by illuminating the dynamics and complexity of the concept and the conflict that often accompanies its practice. Annotation c 2003 Book News Inc Portland OR booknews.com

**The Age of Impeachment** David E. Kyvig, 2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use

**Regent University law review**, 1997 **The Presidency and the Law** David Gray Adler, Michael A. Genovese, 2002 Political scandals have always demonstrated the capacity of our executive officials for self inflicted injuries and the Clinton administration was no exception. Unilateral warmaking claims of executive privilege and immunity and last minute pardons all tested the limits of presidential power while the excesses of the Special Prosecutor cast doubts on available remedies. For eight years

Republicans and Democrats engaged in guerrilla warfare aimed at destroying the careers and lives of their adversaries while tests of presidential power were resolved by the courts resulting in a reshaping of the scope and power of the presidency itself. This book examines the many controversial and important battles that led to the shrinking of the presidency under the law during the Clinton administration. Located at the intersection of law and politics it helps readers understand the dramatic changes that took place in the relationship of presidential power to the law during the Clinton years and shows how one president's actions and congressional and legal reactions to them have altered presidential prerogatives in ways that his successors cannot ignore. *The Presidency and the Law* offers an assessment of changes in constitutional and legal

understanding of the American presidency exploring such topics as war power executive privilege pardon power impeachment executive immunity independent counsel and campaign finance In examining these collisions between president and the law its distinguished contributors bring the lessons of Watergate and Iran Contra into the Clinton era and contribute to a Madisonian view that presidents should not operate outside statutory and constitutional constraints While the essays offer several criticisms of that administration s exercise of power and its interpretation of constitutional provisions and law many of the authors have been supportive of Clinton and his policy pursuits and all seek to examine the potential impact of the Clinton administration without being predictive or legalistic They offer instead commentary analysis and criticism that examine the legality and constitutionality of President Clinton s actions within a broader political and historical context The presidency is constitutionally weaker and politically more vulnerable than the office Bill Clinton assumed in 1993 and it remains to be seen what impact these changes will have on the presidency in the 21st century This book points the way to assessing that impact and is essential reading for anyone concerned with the future of our democracy

**The Federal Impeachment Process** Michael J. Gerhardt,2019-04-12 As President Trump and Congressional Democrats battle over the findings of the Mueller report talk of impeachment is in the air But what are the grounds for impeaching a sitting president Who is subject to impeachment Is impeachment effective as a safeguard against presidential misconduct What challenges does today s highly partisan political climate pose to the impeachment process and what if any meaningful alternatives are there for handling presidential misconduct For more than twenty years The Federal Impeachment Process has served as the most complete analysis of the constitutional and legal issues raised in every impeachment proceeding in American history Impeachment Michael J Gerhardt shows is an inherently political process designed to expose and remedy political crimes serious breaches of duty or injuries to the Republic Subject neither to judicial review nor to presidential veto it is a unique congressional power that involves both political and constitutional considerations including the gravity of the offense charged the harm to the constitutional order and the link between an official s misconduct and duties For this third edition Gerhardt updates the book to cover cases since President Clinton as well as recent scholarly debates He discusses the issues arising from the possible impeachment of Donald Trump including whether a sitting president may be investigated prosecuted and convicted for criminal misconduct or whether impeachment and conviction in Congress is the only way to sanction a sitting president what the Emoluments Clause means and whether it might provide the basis for the removal of the president whether gross incompetence may serve as the basis for impeachment and the extent to which federal conflicts of interest laws apply to the president and other high ranking officials Significantly updated this book will remain the standard work on the federal impeachment process for years to come

**The Constitutional Convention of 1787** John R. Vile,2005-06-24 The first encyclopedic treatment of the personalities politics and events involved in drafting the U S Constitution This comprehensive treatment of all the personalities philosophies debates and compromises involved in drafting the U S

Constitution is the first encyclopedic work on the subject compiling information into an easily accessible A Z format Biographies of all 55 delegates analysis of the competing political viewpoints procedural and substantive disputes along with a host of other details are all presented here Both the detail and the scholarship in this book are unmatched in any other work the encyclopedic presentation simply does not exist elsewhere Civil liberties the scope of authority of the three branches of government and other constitutional matters are increasingly at the forefront of public discussion Scholars citizens interested in self education and reference librarians faced with questions about the Constitution will find in this book all they require to answer their needs *Impeaching Clinton* Nicol C. Rae, Colton C. Campbell, 2004 Analysis of the impeachment and portrayal of the partisan and ideologically polarized state of American politics at the turn of the century Argues that the battle was not over Clinton but over control of the policy agenda back cover **American Book**

**Publishing Record**, 2000 *Constitutional Law and Politics: Struggles for power and governmental accountability* David M. O'Brien, 2008 Now in its Seventh Edition Constitutional Law and Politics remains the authoritative casebook for the study of Supreme Court decisions in political science courses *Georgia State University Law Review*, 2002 **Michigan Law Review**, 1998 *Law and Jurisprudence in American History* Stephen B. Presser, Jamil S. Zainaldin, 2003 *The Improvement of the Administration of Justice* John Fallahay, 2002 Sober as a Judge Richard G. Stevens, Matthew J. Franck, 1999 Political scientists profile the work of five US Supreme Court Justices deemed innocent of overstepping the bounds of the Constitution by tempering laws with mercy or discovering rights They are Nathan P Clifford Stanley Matthews Edward Douglass White Fred M Vinson and Antonin Scalia An introduction characterizes the justices as guardians of republican Republican liberty an epilogue considers staying clean and sober in the future Only names are indexed

**Encyclopedia of the U.S. Supreme Court: Fugitives from justice-Reynolds v. United States** Thomas Tandy Lewis, Richard L. Wilson, 2001 Presents alphabetically arranged essays on the U S Supreme Court covering its justices and other historical figures significant decisions types of law pieces of legislation Constitutional clauses and amendments broad issues mechanics and procedures and comparisons with international courts With Justice for All? Michael Ross Fowler, 1998 This book carefully and realistically introduces and evaluates American law by combining elements of the theoretical with elements of the practical It examines the overall nature of modern American justice both civil and criminal focusing the reader's attention on fundamental principals and drawing comparisons between the U S and foreign legal systems In describing the processes participants and institutions of the American judicial system coverage emphasizes the objectives of each figure at each stage the strategies that are employed and the social benefits and drawbacks that accrue from their efforts **Texas Journal on Civil Liberties & Civil Rights**, 2004 A journal publication of the University of Texas School of Law and the Individual Rights and Responsibilities Section of the State Bar of Texas *The Oxford Companion to American Law* Kermit Hall (ed), David S. Clark, 2002-05-02 A landmark in legal publishing The Oxford

Companion to the Supreme Court is a now classic text many of whose entries are regularly cited by scholars as the definitive statement on any particular subject In the tradition of that work editor in chief Kermit L Hall offers up The Oxford Companion to American Law a one volume A Z encyclopedia that covers topics ranging from aging and the law wiretapping and electronic eavesdropping the Salem Witch Trials and Plessy vs Ferguson The Companion takes as its starting point the insight that law is embedded in society and that to understand American law one must necessarily ask questions about the relationship between it and the social order now and in the past The volume assumes that American law in all its richness and complexity cannot be understood in isolation as simply the business of the Supreme Court or as a list of common law doctrines Hence the volume takes seriously issues involving laws role in structuring decisions about governance the significance of state and local law and legal institutions and the place of American law in a comparative international perspective Nearly 500 entries are included written by over 300 expert contributors Intended for the working lawyer or judge the high school student working on a term paper or the general adult reader interested in the topic the Companion is the authoritative reference work on the subject of American law      [American Association of Law Libraries Newsletter ,1995](#)

The Enthralling World of Kindle Books: A Comprehensive Guide Revealing the Advantages of E-book Books: A World of Convenience and Flexibility E-book books, with their inherent portability and simplicity of availability, have freed readers from the constraints of physical books. Gone are the days of lugging cumbersome novels or meticulously searching for specific titles in shops.
