Tempest In Eden:

Tempest of Eden Grand Central Publishing, 2001-05 **On the Date, Sources and Design of Shakespeare's The Tempest** Roger A. Stritmatter, Lynne Kositsky, 2013-08-19 This book challenges a longstanding and deeply ingrained belief in Shakespearean studies that The Tempest long supposed to be Shakespeare's last play was not written until 1611 In the course of investigating this proposition which has not received the critical inquiry it deserves a number of subsidiary and closely related interpretative puzzles come sharply into focus These include the play's sources of New World imagery its festival symbolism and structure its relationship to William Strachey's True Reportory account of the 1609 Bermuda wreck of the Sea Venture not published until 1625 and the tangled history of how and why scholars have for so long misunderstood these matters Publication of some preliminary elements of the author's arguments in leading Shakespearean journals starting in 2007 ignited a controversy that became part of the critical history This book presents the case in full for the first time

Tempest in Eden Sandra Brown, 2008-12-14 Opposites attract when a nude art model sets out to seduce a conservative minister who disapproves of her profession but can't seem to resist her Renowned artist's model Shay Morrison thinks nothing of exposing her body to inspire great works of art But hidden inside her where no one can see is the pain of a failed marriage Then while visiting a weekend cabin she accidentally walks in on Ian Douglas as he steps out of the shower Every gorgeous bit of him is immediately apparent as is his disapproval of Shay What isn't so obvious is his profession Ian is a minister in a straitlaced community Challenged and hurt Shay decides to seduce him But waiting for her are the traps of her own weaknesses and the potent force of attraction as a woman with a troubled past tries to understand a man different from anyone she has known before and new feelings rise from her heart *The Tempest, ed. with intr., notes, and glossary by H.A.
