**Term Limits for Members of the U.S. House and Senate** United States. Congress. House. Committee on the Judiciary. Subcommittee on the Constitution,1996      **Congressional Term Limits Amendment** United States. Congress. House. Committee on the Judiciary,1997      *Term Limits and Their Consequences* Stanley M. Caress,Todd T. Kunioka,2012-09-07 Legislative term limits remain a controversial feature of the American political landscape *Term Limits and Their Consequences* provides a clear comprehensive and nonpartisan look at all aspects of this contentious subject Stanley M Caress and Todd T Kunioka trace the emergence of the grassroots movement that supported term limits and explain why the idea of term limits became popular with voters At the same time they put term limits into a broader historical context illustrating how they are one of many examples of the public s desire to reform government Utilizing an impressive blend of quantitative data and interviews Caress and Kunioka thoughtfully discuss the impact of term limits focusing in particular on the nation s largest state California They scrutinize voting data to determine if term limits have altered election outcomes or the electoral chances of women and minority candidates and reveal how restricting a legislator s time in office has changed political careers and ambitions Designed to transform American politics term limits did indeed bring change but in ways ranging far beyond those anticipated by both their advocates and detractors      **Term Limits and Legislative Representation** John M. Carey,1998-10-13 This volume examines the electoral experience of Costa Rica the only long term democracy to impose term limits on legislators and provides comparisons with legislatures in Venezuela and the United States The author challenges claims made about the effects of term limits on political careers pork barrel politics and the effectiveness of political parties in passing their programmes      ABA Journal ,1994-11 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association      *Social Issues in America* James Ciment,2015-03-04 More than 150 key social issues confronting the United States today are covered in this eight volume set from abortion and adoption to capital punishment and corporate crime from obesity and organized crime to sweatshops and xenophobia      **Every 20 Years** Thomas E. McDonald,2014-06-05 Term limiting members of congress may not be the answer to the problems facing the governing of this country An alternative solution to term limits would be for every member of congress both house and senate to stand for a national retention vote every 20 years The entire voting populace of the country not just the voters in each of their respective districts and states would vote if congress should remain in office or be turned out of office as a body Consequently no matter when elected all 435 members of the House of Representatives and all 100 members of the Senate could be voted out of office every 20 years This book sets forth a reasoned and logical argument for such a proposal and the processes that would be implemented to ensure a smooth and orderly transitional replacement of our legislative branch of government should it be necessary      **Colorado School Laws** Colorado,2009      **A Text Book on Civil Government in the United States** George
