#### Coherency

Management Gary Doucet,Pallab Saha,Scott Bernard,2009 The book introduces the idea of Coherency Management and asserts that this is the primary outcome goal of an enterprise s architecture With submissions from over 30 authors and co authors the book reinforces the idea that EA is being practiced in an ever increasing variety of circumstances from the tactical to the strategic from the technical to the political and with governance that ranges from sell to tell The characteristics usages value statements frameworks rules tools and countless other attributes of EA seem to be anything but orderly definable classifiable and understandable as might be hoped given heritage of EA and the famous framework and seminal article on the subject by John Zachman over two decades ago Notably EA is viewed as an Enterprise Design and Management approach adopted to build better enterprises rather than a IT Design and Management approach limited to build better systems
