Library, Samuel Halkett, Jon Andresson Hjaltalin, Thomas Hill Jamieson, 1863 **Hearings, Reports and Prints of the House Committee on Public Works** United States. Congress. House. Committee on Public Works, 1968 Abolitionism and American Law John R. McKivigan, 1999 This volume's essays reveal that the abolitionists' impact on United States law and the Constitution did not end with the Civil War. The immediate postwar Reconstruction amendments were both rooted in the radically anti-positivistic natural rights philosophy long espoused by the radical political abolitionists. Implementing protection for black civil rights however proved much more difficult **Gaming Empire in Children's British Board Games, 1836-1860** Megan A. Norcia, 2019-03-25 Over a century before Monopoly invited child players to bankrupt one another with merry ruthlessness a lively and profitable board game industry thrived in Britain from the 1750s onward thanks to publishers like John Wallis, John Betts and William Spooner. As part of the new wave of materials catering to the developing mass market of child consumers the games steadily acquainted future upper and middle class empire builders even the royal family themselves with the strategies of imperial rule cultivating trading, engaging in conflict, displaying and competing. In their parlors these players learned the techniques of successful colonial management by playing games such as Spooner's *A Voyage of Discovery* or Betts' *A Tour of the British Colonies and Foreign Possessions*. These games shaped ideologies about nation, race and imperial duty, challenging the portrait of Britons as absent minded imperialists. Considered on a continuum with children's geography primers and adventure tales these games offer a new way to historicize the Victorians, Britain and Empire itself. The archival research conducted here illustrates the changing disciplinary landscape of children's literature, culture studies as well as nineteenth century imperial studies by situating the games at the intersection of material and literary culture The Saturday Review of Politics, Literature, Science and Art, 1891 Catalogue of Works of Art Exhibited on the Second Floor Museum of Fine Arts, Boston, 1889 **General Catalogue of the Books** Detroit Public Library, 1889 *Reference department.
