

# ETHICS IN SPORTS

## Sport Ethics

**Morgan, William J.**

## **Sport Ethics:**

**Ethics in Sport** William John Morgan,2007 This is a text for students in sport philosophy sport ethics sport management and sport studies courses as well as a reference for professionals with an interest in sport ethics World renowned experts examine the moral and ethical issues surrounding sport in contemporary society addressing current debates **Sport, Ethics and Education**

Peter Arnold,1997-04-01 Examines the relationship between sport and education from both social and moral points of view The text argues that sport has such a vital role to play in society that it should be an integral part of the curriculum It presents guidelines for an effective teaching of sports in schools

**Sport, Ethics and Philosophy** Mike McNamee,2018-10-19 This book represents a bold statement concerning the excitement and energy of the field of sports ethics and philosophy in contemporary terms It is comprised of a collection of commissioned essays from the leading international scholars in the field to celebrate the ten year editorship of Mike McNamee for the journal Sport Ethics and Philosophy The collection includes essays familiar sport philosophers on work about the nature and nuances of sports and games playing winning and losing role models and strategic fouling It also celebrates in phenomenological terms the complex and heterogeneous experience and values of sports in both phenomenological and analytic modes Finally it addresses the most serious threats to sport integrity and governance in the shape of doping and the unchecked power of sports institutions and the charisma of sport that is at the mercy of commercialism This book was originally published as a special issue of Sport Ethics and Philosophy

**Ethics in Sport** William J J. Morgan,2024-10-04 Ethics in Sport Fourth Edition offers a total of 33 essays from influential authors These essays provide readers with classic and contemporary views on ethical issues in today s sport culture The fourth edition of Ethics in Sport contains nine new essays that address the latest topics in the world of sport that have provoked widespread controversy These issues concern among other things whether esports electronic sports are bona fide sports whether gamesmanship is acceptable in sports competition and whether transgender athletes who transition from male to female should be allowed to compete in sports reserved for women and under what conditions Each part begins with an introduction that encapsulates relevant ethical concepts and contextualizes the issues in the upcoming essays Throughout the text discussion questions prompt students to reflect on the information presented and to consider how ethical issues affect our society and their own lives An instructor guide offers tools to facilitate these discussions as well as over 50 assignment recommendations With a wealth of new essays Ethics in Sport Fourth Edition offers philosophical insights from the most influential minds in the study of ethics and keeps readers abreast of current issues

**Sport Integrity** Andy Harvey, Mike McNamee,2020-06-29 Sport Integrity examines sports integrity from a range of disciplinary perspectives that will help to enhance the reader s understanding of this burgeoning problematic in sports management Securing and promoting the integrity of sport has become one of the critical tasks for the governance and management of sport at professional elite and non elite levels Threats to the integrity of sport manifest themselves in an array of guises and

include problems such as match fixing corruption and the poor governance and management of sport To reflect these diverse difficulties this volume brings together authors from different nationalities to examine specific problems from a range of disciplinary perspectives Together these contributors enhance the empirical and theoretical foundations of sports integrity and place ethical considerations at the heart of the discussions to improve the management of sport Sport Integrity will be of great interest to scholars and practitioners of sport management sport and ethics and sports governance The chapters were originally published as a special issue of the Journal of Global Sport Management     **Ethics in Sport-3rd Edition** Morgan, William J.,2018 Ethics in Sport Third Edition offers 32 essays by well known authors These essays explore the roots of the ethical and moral dilemmas so prevalent in sport culture today Nearly half the essays are new to this edition     **Sport**

**Ethics in Context** Debra Shogan,2007 This thought provoking collection of essays explores what constitutes the ethical domain ethical practice ethics education and ethics all in the context of sport Sport Ethics in Context goes beyond the usual focus in sport ethics on responsibilities and explores ethical responsibilities to teammates coaches and others associated with a team As well this collection describes a new sport ethics through which participants might come to question those practices that sport discipline creates The author argues that if sport is to be a vehicle for a better understanding of and appreciation for ethical responses it is necessary to pay attention to just what is at stake in the ethical domain including the components of ethical response and how sport leaders might facilitate ethical responses in a sport environment     **Sport Ethics** David Cruise Malloy,Saul Ross,Dwight Harry Zakus,2000 Sport has always presented participants administrators and observers with a wide and often bizarre array of ethical dilemmas They take on a special edge perhaps because the sport personalities are usually well known as are result of the extensive media coverage of sporting events We look in astonishment and horror at such things as the judging debacle in the pairs figure skating event at the 2002 Olympic Winter Games the not too distant future possibility of genetically modified athletes the bribe taking by members of the IOC the widespread steroid use by athletes the child sex abuse cases in hockey the acceptance of physical assault and violence the hooligans among British soccer fans and the drug abusers at the Tour de France This book is provides an analytical framework to enable readers to explore and understand many of the ethical issues and controversies in sport today Included for discussion purposes are topical case studies drawn from the world of sport and recreation     **Culture, Sport, and Physical Activity** Karin A. E.

Volkwein-Caplan,2004 Dealing with different aspects of movement sports and physical activity this text examines the effects such activities has on our culture and the benefits of participation     **Sport Entrepreneurship** Vanessa Ratten,2018-02-05

This book introduces the structure economic arguments and business strategies for entrepreneurship in sport Here the entrepreneurial process is usually initiated by organizations people or governments who are embedded in both economic and social contexts The development of technologies that have enhanced the diffusion of information and the creation of new international markets has impacted sports entrepreneurship activities The goal of this book is to introduce readers to

emerging issues in sport entrepreneurship and management The book focuses on the role of entrepreneurship in the sports context by examining how to leverage the opportunities that arise from networks and optimize resources by identifying where they can most effectively be put to use As a unique discipline sport entrepreneurship helps to identify the conditions under which and the processes in which upcoming business ventures need to be pursued The book will be useful for sports organizations athletes and government organizations promoting the use of entrepreneurship to generate competitive advantages on the global marketplace

**Ethics and Governance in Sport** Yves Vanden Auweele, Elaine Cook, Jim Parry, 2015-11-06 What is or what should be the function of sport in a globalized commercialized world Why does sport matter in the 21st century In Ethics and Governance in Sport the future of sport imagined an ensemble of leading international experts from across the fields of sport management and ethics calls for a new model of sport that goes beyond the traditional view that sport automatically encourages positive physical psychological social moral and political values Acknowledging that sport is beset by poor practice corruption and harmful behaviors it explores current issues in sport ethics governance and development considering how good governance and the positive potentials of sport can be implemented in a globalized sporting landscape Ethics and Governance in Sport suggests a future model of sport governance based on well substantiated projections and argues that identifying the root causes of harmful behavior those things that are characteristic of sport and engaging sport managers policy makers and leaders of sport organizations is essential if sport is to thrive The book's interdisciplinary examination of sport encompassing philosophy sociology economics management and sport development and its forward looking approach makes it important reading for advanced students researchers and policy makers with an interest in the place and development of modern sport Its clear messages invite self reflection and discussion especially within sports organizations

**Ethics and Sport** M.J. McNamee, S.J. Parry, 2002-09-11 The issues surrounding ethical controversies in sport are often touched on in the popular media This book by leading international scholars in philosophy and the philosophy of sport provides systematic treatment of the ethics of sport from a range of perspectives Part one includes essays which focus on the basis of sport as an activity that is inherently ethical Part two concerns the nature of the oft heard but seldom clarified notion of fair play Three essays are included which articulate substantively different interpretations of the concept all of which have different allegiances in ethical theory and practical consequences Part three deals with ethical questions in physical education and coaching and Part four on contemporary issues includes essays which focus on topics such as violence conflict and deception This book is accessible to a wide range of teachers and students in the field of sport and leisure studies Contributions from international highly regarded experts in the field to provide the reader with the systematic treatment of the ethics in sport from a diverse perspective

**Modern Sport Ethics** Angela Lumpkin, 2016-12-12 The descriptions and examples of unethical behaviors in sport in this book will challenge readers to rethink how they view sport and question whether participating in sport builds character especially at

the youth and amateur levels Sport potentially can teach character as well as social and moral values but only when these positive concepts are consistently taught modeled and reinforced by sport leaders with the moral courage to do so The seeming moral crisis threatening amateur and youth sport evidenced by athletes coaches and parents alike making poor ethical choices and ongoing scandals regarding performance enhancing drug use by professional athletes make sports ethics a topic of great concern This work enables readers to better understand the ethical challenges facing competitive sport by addressing issues such as gamesmanship doping cheating sportsmanship fair play and respect for the game A compelling read for coaches sport administrators players parents and sport fans the book examines specific examples of unethical behaviors many cases of which occur in amateur and educational sports to illustrate how these incidents threaten the perception that sport builds character It identifies and investigates the multiple reasons for cheating in sport such as the fact that the rewards for succeeding are so high and the feeling of athletes that they must behave as they do to level the playing field because everyone else is cheating being violent taking performance enhancing drugs or doing whatever it takes to win Readers will gain insight into how coaches and sport administrators can achieve the goals for youth interscholastic intercollegiate and Olympic sport by stressing moral values and character development as well as see how specific recommendations can help ensure that sport can serve to build character rather than teach bad behavior in the pursuit of victory

*Understanding Sports Coaching* Tania Cassidy,Paul Potrac,Steven Rynne,2023-06-06 Every successful sports coach knows that good teaching and social practices are just as important as expertise in sports skills and tactics Now in a fully revised and updated fourth edition and introducing a new author team Understanding Sports Coaching introduces theories and practices while exploring pedagogical social and cultural concepts underpinning good sports coaching practice Broken into four sections Understanding Sports Coaching examines the complex interplay between coach athlete coaching programme and social context and encourages coaches to develop an open and reflective approach to their own coaching practice It covers key aspects of coaching theories and practice including important and emerging topics such as leadership athlete learning emotion in coaching culture as meaning making quality in coaching talent identification and development philosophy and sports coaching Understanding Sports Coaching also includes a full range of practical exercises and extended case studies designed to encourage coaches to critically reflect upon their own coaching strategies their interpersonal skills and important issues in contemporary sports coaching This is an essential textbook for any degree level course in sports coaching and for any professional coach looking to develop their coaching expertise

*Sport, Ethics and Philosophy* Mike McNamee,2018-10-19 This book represents a bold statement concerning the excitement and energy of the field of sports ethics and philosophy in contemporary terms It is comprised of a collection of commissioned essays from the leading international scholars in the field to celebrate the ten year editorship of Mike McNamee for the journal Sport Ethics and Philosophy The collection includes essays familiar sport philosophers on work about the nature and nuances of sports and

games playing winning and losing role models and strategic fouling It also celebrates in phenomenological terms the complex and heterogeneous experience and values of sports in both phenomenological and analytic modes Finally it addresses the most serious threats to sport integrity and governance in the shape of doping and the unchecked power of sports institutions and the charisma of sport that is at the mercy of commercialism This book was originally published as a special issue of Sport Ethics and Philosophy

**Ethics and Sport in Europe** Dominique Bodin, Gaelle Sempé, 2011-01-01 Defending ethics in sport is vital in order to combat the problems of corruption violence drugs extremism and other forms of discrimination it is currently facing Sport reflects nothing more and nothing less than the societies in which it takes place However if sport is to continue to bring benefits for individuals and societies it cannot afford to neglect its ethical values or ignore these scourges The major role of the Council of Europe and the Enlarged Partial Agreement on Sport EPAS in addressing the new challenges to sports ethics was confirmed by the 11th Council of Europe Conference of Ministers responsible for Sport held in Athens on 11 and 12 December 2008 A political impetus was given on 16 June 2010 by the Committee of Ministers with the adoption of an updated version of the Code of Sports Ethics Recommendation CM Rec 2010/9 emphasising the requisite co ordination between governments and sports organisations The EPAS prepared the ministerial conference and stepped up its work in an international conference organised with the University of Rennes which was attended by political leaders athletes researchers and officials from the voluntary sector The key experiences described in the conference and the thoughts that it prompted are described in this publication All the writers share the concern that the end result should be practical action particularly in terms of the setting of standards that falls within the remit of the EPAS and promotes the Council of Europe's core values

*The Ethics of Sport* Robert L. Simon, 2016-07-08 We encourage children to play sports from an early age in order to instill in them such virtues as teamwork perseverance respect fairness and discipline but as perennial scandals in the headlines show us sports also give rise to thorny ethical problems Can the ugly corrupt side of sports counteract their potential to deepen our moral lives and make a positive impact This accessible book tackles a wide ranging array of topics that arise in ethics of sport on every level from amateur to professional and from the general to the specific Ethics of sport expert Robert Simon examines provocative thorny questions throughout the book Why do we care so much about sports Do sports embody special values that social function views fail to grasp Are such values good or bad What counts as overemphasizing winning Should winning be important in youth sports What makes cheating in sports ethically objectionable Is trash talking cheating How have performance enhancing drugs affected sport Can we distinguish them from other advances that enhance performance such as technological improvements in equipment Should contact sports be modified to protect the health of athletes Do organized athletics belong in schools Don't athletic programs undermine academics in secondary and college education Would it be better to separate sports and education so schools focus on academics Do sports undermine or reinforce gender equity Why do so many elite athletes misbehave How have professional sports affected

minority groups and the underprivileged Is money ruining elite sport Simon s short exploration of the ethics of sports which unfolds in this series distinctive question and answer format will interest sports enthusiasts those who seek to understand the ethical controversies in sport even from an outsider s perspective and students of applied ethics who need a primer on sports ethics in particular Ethics in Youth Sport Stephen Harvey, Richard Light, 2012-10-02 The influence of professional adult sport on youth sport is now a global concern Children are involved in high stakes competitive sport at national and international levels at an increasingly young age In addition the use of sport as a medium for positive youth development by governments and within the community has fuelled ambitious targets for young people s participation in sport at all levels In this important study of ethical issues in and around youth sport leading international experts argue for the development of strong ethical codes for the conduct of youth sport and for effective policy and pedagogical applications to ensure that the positive benefits of sport are optimized and the negative aspects diminished At the heart of the discussion are the prevailing standards and expectations of youth sport in developed societies typically consisting of the development of motor competence the development of a safe and healthy lifestyle and competitive style and the development of a positive self image and good relationship skills The book examines the recommendations emerging from the Panathlon Declaration and the debates that have followed and covers a wide range of key ethical issues including emotional and physical abuse aggression and violence doping and cheating values and norms teaching and coaching integrity management *Ethics in Youth Sport* is focused on the application of ethical policy and pedagogies and is grounded in practice It assumes no prior ethical training on the part of the reader and is essential reading for all students researchers policy makers and professionals working with children and young people in sport across school community and professional settings Ethics, Disability and Sports Ejgil Jespersen, Mike J. McNamee, 2013-10-18 This volume addresses a range of philosophical and ethical issues in adapted physical activity and disability sports participation more broadly It is comprised of a range of essays by international scholars whose backgrounds embrace different traditions of philosophy pedagogy and adapted physical activity The principal aim of the symposium was to open up and critically explore a range of conceptual and ethical issues and perspectives that have arisen with respect to the engagement of persons with disabilities in a range of physical activity contexts including but not exclusively located in mainstream sporting activities This book was published as a special issue in *Sport Ethics and Philosophy* **Ethics in Sport**, 1990 Ethik Sportethik Bibliographie
