## **Sport Culture And Advertising:**

Sport, Culture and Advertising Steven J. Jackson, David L. Andrews, 2005-01-01 Despite the range of theoretical and methodological positions adopted and the wide range of issues and topics related to advertising covered by cultural studies relationships between sport and advertising have been largely overlooked Given its global popularity and its prevalence across the spectrum of cultural and commercial life it is not surprising that scholars interrogating the cultural politics of sport have begun to recognise advertising as an important site for the analysis of power relations cultural politics and cultural representation *Sport Culture and Advertising* presents a first step towards understanding the relationship between advertising and identity with a focus on sport The book will be useful for scholars across a range of disciplines and will be of interest to students looking for a more critical examination of the commercial realm of sport

*Sport, Culture and Advertising* Steven J. Jackson, David L. Andrews, 2004-11-10 Sport has a close relationship with advertising both where advertisers sponsor sports as well as where sport and fitness lends its perceived positive imagery to a wide range of consumer goods *Sport Culture Advertising* explores the themes of

Sport, Advertising and Global Promotional Culture Steve Jackson, David L. Andrews, 2018-01-15 This book addresses the unique and mutually influential relationship between sport culture and advertising It argues that under the current paradigm of capitalism we are being transformed to think act and live as consumers rather than as citizens Consequently we are engaged in an unsustainable pursuit of happiness through consumption which is not only changing our sense of identity but is impacting on our very existence Real case studies are used to illustrate how corporations and advertising agencies are now excavating culture to find new sacred and often shocking themes in order to attract our attention amidst the noise and imagery that clutters our cultural and sporting landscapes

*Sport, Advertising and Global Promotional Culture* Steven J. Jackson, David L. Andrews, 2025 This book explores the intersection of contemporary sport advertising promotional culture and wider society Arguing that advertising and promotional culture remain key driving forces in relation to social structures and systems that contribute to enduring patterns of economic and other forms of inequality the book examines how sport and related areas of social life continue to be transformed by these forces Presenting in depth international case studies covering topics such as Nike's sign economies the sports gambling media complex sportswashing greenwashing radical politics in sport advertising sport and corporate nationalism and girls empowerment and transgender exclusion in sports the book shines critical new light on some of the most important themes in the study of global consumer culture in the emerging era of surveillance capitalism Overall the book examines sport advertising through the lens of the circuit of cultural commodification including production representation consumption and regulation in order to provide insights into the formation complexities and contradictions of social identities commodities and brands This is fascinating reading for anybody with an interest in the sociology culture and politics of sport or cultural studies media studies and the wider politics and social significance of late stage capitalism
