

The background is a vibrant, abstract composition. It features large, flowing organic shapes in shades of blue, teal, and green on the left side, and warm, glowing shapes in orange, yellow, and red on the right side. Scattered throughout are various geometric and organic patterns: a grid of small blue 'x' marks in the bottom left, a cluster of small yellow '+' marks in the middle right, and several small, faint circles and lines. The overall aesthetic is modern and energetic.

**Motivations For Physical Activity, volume III** Aleksandra Maria Rogowska, Pedro Morouço, Iuliia Pavlova, 2025-09-23  
Physical activity engagement is a complex and multifaceted phenomenon driven by a variety of motivations. This Research Topic seeks to advance our understanding of the factors that inspire individuals to participate in physical activity. The collection of papers in this volume aims to shed new light on this topic, offering fresh insights into motivational aspects. With this collection, we hope to offer valuable insights into the complex realm of motivations for physical activity and underscore the significance of individual characteristics, social and cultural factors, and environmental influences in shaping exercise behaviors. Our goal is also to highlight research findings that hold implications for the promotion of physical activity across various populations, including college students, older adults, athletes, professionals, recreational sports participants, sedentary individuals, and those seeking lifestyle changes, etc.
