

SPRIGHTLY RUNNING

Part of an Autobiography

BY

JOHN WAIN

...Time would have past years again,
Yet all hope glimmers in what yet remains;
And, from the days of life, think to restore,
What the then sprightly running could not give.
—John Wain

Sprightly Running Part Of An Autobiograp:

Sprightly Running John Wain,1965 **Sprightly Running, Part of an Autobiography** John Wain,1962 *J.R.R. Tolkien's Sanctifying Myth* Bradley J. Birzer,2023-08-29 With a new introduction by the author Peter Jackson's film version of J R R Tolkien's Lord of the Rings trilogy and the accompanying Rings related paraphernalia and publicity has played a unique role in the dissemination of Tolkien's imaginative creation to the masses Yet for most readers and viewers the underlying meaning of Middle earth has remained obscure Bradley Birzer has remedied that with this fresh study In J R R Tolkien's Sanctifying Myth Understanding Middle earth Birzer reveals the surprisingly specific religious symbolism that permeates Tolkien's Middle earth legendarium He also explores the social and political views that motivated the Oxford don ultimately situating Tolkien within the Christian humanist tradition represented by Thomas More and T S Eliot Dante and C S Lewis Birzer argues that through the genre of myth Tolkien created a world that is essentially truer than the one we think we see around us everyday a world that transcends the colorless disenchantment of our postmodern age J.R.R. Tolkien Encyclopedia Michael D.C. Drout,2006-11-06 This book presents the most recent scholarship on J R R Tolkien but also introduces and explores the author and scholar's life and work within their historical and cultural contexts It examines Tolkien's fiction and his sources of influence along with his artistic and academic achievements including his translations of medieval texts *Word and Story in C. S. Lewis* Peter J. Schakel,Charles A. Huttar,2008-04-14 Word and Story has broken new ground by enlisting well known scholars in the examination of Lewis's ideas about language and narrative both as stated in theory and as exemplified in practice Never before has such clear significant and thorough work in these areas been brought together in one place This compilation of sixteen essays demonstrates how an awareness of Lewis's ideas about language and narrative is essential to a full understanding and appreciation of his thought and works The contributors examine Lewis's poetry The Dark Woods Studies in Words and other works that have so far received little attention in addition to more familiar parts of the Lewis canon By approaching Lewis primarily as an artist and theorist not just a Christian apologist these essays offer new insights into his creative imagination critical acumen and his craftsmanship as a writer One comes away from this book with a fresh vision and with heightened expectation eager to return to Lewis's works

John Wain David E. Gerard,1987 *A Guide to Middle Earth* Colin Duriez,2004-12-09 This absorbing insight into the mind behind Middle earth will introduce or remind readers of the abundance that exists in Tolkien's thought and imagination Interweaving sections explore The Lord of the Rings and its history the key themes concepts and images in Tolkien's work the people and places in his life and his other writings At the heart of the book is an indispensable A Z of middle earth with detailed entries on Beings Places Things and Events Landslide Robert Garner,2026-01-28 In a partly fictionalised account this book recounts the dramatic story of the 1945 General Election an event that to the surprise of many saw the decisive defeat of wartime hero Winston Churchill and the election of Britain's first majority Labour government Drawing on a rich

array of diaries biographies and autobiographies it vividly brings to life the gripping personal and political dramas of key figures such as Churchill Attlee Morrison Wilkinson and Bevin stories as compelling as any work of melodramatic fiction Innovatively the book also makes extensive use of the Mass Observation Archive including diaries directives and field reports to capture the voices of ordinary people who watched the unfolding events with a mixture of awe anticipation and apprehension **English Fiction, 1900-1950** Thomas Jackson Rice,1979 The Movement Jerry Bradley,1993 A collective study of the lives and works of the nine British poets who composed the Movement of the 1950s Philip Larkin Kingsley Amis D J Enright Robert Conquest John Wain Elizabeth Jennings Donald Davie Thom Gunn and John Holloway Annotation copyright by Book News Inc Portland OR **The Angry Years** Colin Wilson,2007-04-30 What were the achievements of the angry writers who emerged in the fifties Historically they gave birth to the satire movement of the 1960s Beyond the Fringe That Was the Week that Was and Private Eye Their satire and irreverence aroused enthusiasm in man and a new anti Establishment mood developed from Look Back in Anger and The Outsider All literary movements acquire enemies but the Angry Young Men of the 1950s accumulated more than most Why Wilson takes us on a journey back to this era and reveals fascinating and sometimes disturbing stories from the Greats including John Osborne Kingsley Amis Kenneth Tynan and John Braine to name but a few At all events the story of that period makes a marvellously lively tale which most importantly was recorded by someone who was actually there **Auguries of Evocation** Charu Sheel Singh,1987

Contemporary Novelists ,1982 British Book News ,1963 American Book Publishing Record ,1985 **The J.R.R. Tolkien Handbook** Colin Duriez,1992 The essential guide on Tolkien and all things Middle Earth Elves wizards hobbits orcs ents and much more *The Lord of the Rings, 1954-2004* Wayne G. Hammond,Christina Scull,2006 The fiftieth anniversary of the first publication of The Lord of the Rings the enormously popular and influential masterpiece of fantasy by J R R Tolkien is celebrated in these twenty papers presented at the Marquette University Tolkien conference of 21 23 October 2004 They are published in honor of the late Dr Richard E Blackwelder who gave his important Tolkien collection to the Marquette University Libraries long a major center for Tolkien research Half of the papers in this book focus on The Lord of the Rings while others investigate the larger body of Tolkien s achievements as a writer of fiction a maker of language and one of the leading philologists of his day The contributors to The Lord of the Rings 1954 2004 include a who s who of scholars in Tolkien studies Douglas A Anderson David Bratman Marjorie Burns Jane Chance Michael D C Drout Matthew A Fisher Verlyn Flieger Mike Foster John Garth Wayne G Hammond Carl F Hostetter Sumner G Hunnewell John D Rateliff Christina Scull T A Shippey Arden R Smith Paul Edmund Thomas Richard C West and Arne Zettersten As preface Charles B Elston former director of Special Collections and University Archives provides a reminiscence of Dr Blackwelder and his generosity to Marquette Fans and students of Tolkien alike will find these essays informative and entertaining □□□□□, □□ □□□□□ ,1968 'Hurry Back Down' John Wain at Sixty Edinburgh University Library,1985 *Contemporary Poets* James

Vinson,D. L. Kirkpatrick,1985

This is likewise one of the factors by obtaining the soft documents of this **Sprightly Running Part Of An Autobiograp** by online.
