**Swindler,**

**Spy, Rebel** Kathleen De Grave,1995 One would not expect a police officer to describe a criminal as remarkable well worth knowing or excellent Yet some did when their quarry was a confidence woman Blackmailer swindler or pickpocket the confidence woman could take any form Regardless of their different motives and tactics confidence women have much in common for they have long been misrepresented in American literature and culture In Swindler Spy Rebel The Confidence Woman in Nineteenth Century America Kathleen De Grave redresses the exaggerations and distortions by examining how the line between fact and fiction blurs Drawing from a variety of sources such as memoirs diaries detective reports newspaper

accounts and sociological studies written during the period De Grave first presents a historical context By comparing the exploits of such women as Chicago May Churchill Big Bertha Heyman and Ellen Peck to those of fictional women who used the same strategies in noncriminal situations De Grave broadens the definition of the confidence woman beyond criminality to include adventuresses soldiers spies and gold diggers Next she relates how the confidence woman appears in autobiographies and in fiction She further expands her argument to include the narrative devices of nineteenth century women writers who used a kind of confidence game as a way to lure their readers into the text
