The Framing Of The Female:

The Framing of the Female Pat Barr, 1978 **Framing Female Lawyers** Cynthia Lucia, 2010-01-01 As real women increasingly entered the professions from the 1970s onward their cinematic counterparts followed suit Women lawyers in particular were the protagonists of many Hollywood films of the Reagan Bush era serving as a kind of shorthand reference any time a script needed a powerful career woman Yet a close viewing of these films reveals contradictions and anxieties that belie the films apparent acceptance of women s professional roles In film after film the woman lawyer herself effectively ends up on trial for violating norms of femininity and patriarchal authority In this book Cynthia Lucia offers a sustained analysis of women lawyer films as a genre and as a site where other genres including film noir maternal melodrama thrillers action romance and romantic comedy intersect She traces Hollywood representations of female lawyers through close readings of films from the 1949 *Adam s Rib* through films of the 1980s and 1990s including *Jagged Edge* *The Accused* and *The Client* among others She also examines several key male lawyer films and two independent films *Lizzie Borden s Love Crimes* and *Susan Streitfeld s Female Perversions* Lucia convincingly demonstrates that making movies about women lawyers and the law provides unusually fertile ground for exploring patriarchy in crisis This she argues is the cultural stimulus that prompts filmmakers to create stories about powerful women that simultaneously question and undermine women s right to wield authority

The East Asian Modern Girl Sumei Wang, 2021-09-06 The *East Asian Modern Girl* reports the long neglected experiences of modern women in East Asia during the interwar period The edited volume includes original studies on the modern girl in Taiwan Korea Manchuria Japan Shanghai and Hong Kong which reveal differentiated forms of colonial modernity influences of global media and the struggles of women at the time The advent of the East Asian modern girl is particularly meaningful for it signifies a separation from traditional Confucian influences and progression toward global media and capitalism which involves high political and economic tension between the East and West This book presents geo historical investigations on the multi force triggered phenomenon and how it eventually contributed to greater post war transformations

Women and the Egyptian Revolution Nermin Allam, 2017-12-14 Since the fall of the former Egyptian president Hosni Mubarak female activists have faced the problem of how to transform the spirit of the uprising into long lasting reform of the political and social landscape In *Women and the Egyptian Revolution* Nermin Allam tells the story of the 2011 uprising from the perspective of the women who participated based on extensive interviews with female protestors and activists The book offers an oral history of women s engagement in this important historical juncture it situates women s experience within the socio economic flows political trajectories and historical contours of Egypt Allam develops a critical vocabulary that captures women s activism and agency by looking both backwards to Egypt s gender history and forwards to the outcomes and future possibilities for women s rights An important contribution to the under researched topic of women s engagement in political struggles in the Middle East and North Africa this book will have a wide ranging impact on its field

and beyond (Re)Framing Women in Post-Millennial Afghanistan, Pakistan, and Iran Rachel Gregory Fox, 2022-03-30 This book critically examines the representational politics of women in post millennial Afghanistan Pakistan and Iran across a range of literary visual and digital media Introducing the conceptual model of remediated witnessing the book contemplates the ways in which meaning is constructed deconstructed and reconstructed as a consequence of its re production and re distribution In what ways is information re framed The chapters in this book therefore analyse the reiterative processes via which Afghan Pakistani and Iranian women are represented in a range of contemporary media By considering how Muslim women have been exploited as part of neo imperial state and patriarchal discourses the book charts possible and unexpected routes via which Muslim women might enact resistance What is more it asks the reader to consider how they themselves embody the role of witness to these resistant subjectivities and how they might do so responsibly with empathy and accountability **Ladies' Manual of Practical Hydropathy, for female diseases; also, directions to mothers how to**
