The Story of the Little Fir Tree Kerstin

Floh, 2020-10-06 Throughout his young life the little fir tree has always had a heartfelt desire To achieve this dream he does everything within his power With the support of a young angel he approaches the future with optimism and positivity What finally awaits him fills his heart with joy in the most wonderful way possible This story will fill the hearts of readers young and old alike with joy Held in easily readable type for young and older readers Readers learn how German Christmas can be prepared and celebrated A short read through of The Story of the Little Fir Tree Slowly but surely it grew colder and the wind grew stronger and stronger Some of his fellow trees those at the edge of the wood lost their leaves and were totally naked The little fir tree was pleased that he didn't shed his needles Occasionally one would fall off but another one would soon grow in its place It grew colder and colder winter was coming One day the little fir tree heard a buzzing noise coming closer and closer and the ground was shaking too The time had come men from the nursery came and walked up and down the rows examining the trees Sometimes they stopped and painted a cross right at the top of a tree's trunk Then they came with a horribly loud machine They called the machine which to the little fir tree seemed to come straight from hell a power saw and with it they cut down a few of the fir trees They cut the trunk very low down and the trees fell to earth with a groan The little fir tree was horrified surely it would be his turn next Then what His thoughts were racing and he was so scared he forgot to stretch his branches out as beautifully as he normally did Don't be scared one of the larger trees near him said You're still so small it's not your time yet The little fir tree was reassured and started enjoying watching the proceedings Some of the fallen trees were put into very tight nets so tight that their branches were pressed firmly into their trunks Others were just placed on the large trailer which had been driven into the clearing The trailer was towed away by a tractor and the large gate in the fence was closed again The buzzing noise became quieter and quieter until the little fir tree could hear only the noises of nature which had become so familiar to him After all the noise of the morning it seemed too quiet to the little fir tree and his thoughts were racing again What happens to the trees that are taken away Why were some put in nets when others weren't How did the men from the nursery decide which tree went where The other trees the older ones couldn't answer his questions either so the little fir tree had no option but to wait and see The little fir tree simply had to know though His curiosity was too great and he had to find out if he had any chance of becoming a Christmas tree Days turned into weeks and the first snow began to fall The little fir tree felt beautiful cloaked in glittering white snow This must be a magical time he thought Indeed it was a magical time the Twelve Days of Christmas had begun Wonderful things happen during the special time between Christmas and Epiphany creatures of nature and those from more ghostly worlds reveal themselves much more readily than at other times of the year So it came to pass that one day the little fir tree met a young angel a creature radiating beauty and light who could answer his questions with patience and love Finally he could experience the

true meaning of Christmas and what it would mean to be a Christmas tree His wish one day to be a beautifully decorated Christmas tree standing in a family s living room surrounded by a family with small children grew even stronger The young angel spoke to him saying Be grateful for your wonderful life here and pray that you ll one day be a Christmas tree God fulfils wishes when you truly believe them and **The Little Fir Tree** Christopher Corr,2019-10-01 Deep in the forest there lived a beautiful little fir tree who longed to see the world When the tree is taken to town at Christmas it feels like all his dreams have come true But what will happen the day after Find out in this beautifully illustrated modern retelling of Hans Christian Andersen s festive tale When he was surrounded by the splendor of nature the little fir tree could only think about what he wasn t and what he didn t have and couldn t see After the initial excitement of venturing out though he finds that the world isn t quite what he expected As the story of the little fir tree unfolds brought to enchanting life with the colorful folk art inspired artwork of acclaimed author illustrator Christopher Corr so does a touching lesson on appreciating what we already have and a hopeful message of rebirth The Little Fir Tree Margaret Wise Brown,2005-09-27 They put golden tinsel on his branches And golden bells And green icicles And silver stars And red and green and blue and purple chains of shining Christmas balls All alone in an empty field grew a little fir tree It dreamed of being part of a forest or part of anything at all Then one winter day a man takes the little fir tree away and it finds itself at the center of a little boy s very special celebration This treasured story by the legendary Margaret Wise Brown has been newly illustrated by award winning artist Jim LaMarche Warm glowing paintings complement the gentle text to capture the true heart of Christmas *The Little Fir Tree* H. C. Andersen,1955 The Two Little Fir Trees Debra Fuggle,2012-01-20 One winters night The Other little Fir Tree gathered courage and asked The Little Fir Tree why he had ornaments every Christmas on his boughs and a beautiful shining star and she did not The Little Fir Tree gave her such an explanation that The Other Little Fir Tree lifted her voice to the night sky and asked Santa Claus if she may have ornaments too With great trepidation and hoping and Faith throughout the night upon waking The Other Little Fir Trees wish had come true A visit from Santa Claus revealed the answer to her plea And from then there were two little Fir Trees shining like candles in the darkness **Freddy the Little Fir Tree** Denna Asbjornsen,2020-10-23 When Freddy the little fir tree discovers that there is more to life than just growing in the forest he must learn to be patient and trust that there is something better waiting for him *The Little Fir Tree, and Other Stories* Gladie MACKAY,1927 **The Little Fir Tree and the Christmas Legend** Robert R. Reid,1957 The Little Fir Tree Who Wanted a Friend Mary Louise Simmons,2008-02-01 The Little Fir Tree Who Wanted a Friend is written to give the reader the ability to better relate to the Little Trees feelings The story opens with the Little Tree realizing how lonely she is It takes her through a year of observing what seems to be a better life for the other trees A catastrophic event changes her life and her loneliness is then magnified She even reaches moments of despair After a while hope does spring forth She realizes that she is not so alone after all This story is meant to teach children that others have feelings and that loyalty and treating others

well is the right way to behave Also as bad as things might seem they will get better The value of friendship is also shown
