

The Lords Supper

Thomas Wilson

The Lord's Supper:

The Lord's Supper Thomas Watson, In this profound meditation on the Lord's Supper Puritan theologian Thomas Watson unveils the rich meaning and spiritual significance of the sacrament. With deep insight he explores how the bread and wine represent Christ's broken body and shed blood and how partaking of them seals God's covenant promises to believers. Watson explains the mystery of Christ's real spiritual presence in the supper and how it offers a foretaste of heavenly glory. He also gives practical guidance on preparing our hearts to come to the Table so that we may experience the overflowing love of Christ poured out for us. The Lord's Supper is a spiritual feast that nourishes our souls, confirms our faith and draws us into intimate communion with our Savior. This classic work will deepen your understanding and appreciation of this means of grace. *The Lord's Supper* Lucretia Peabody Hale, 1866. [Understanding The Lord's Supper](#) Bobby Jamison, 2016-04-15. Why did Jesus give the church a meal to eat together? The Lord's Supper isn't just something churches do together; it's something that binds us together, making many into one. This accessible work biblically explains what the Lord's Supper is and how it relates to a local church's life together, who should celebrate the Lord's Supper and how we should approach it.

Lord's Supper Eucharist Communion Sacrament Ordinance. While it's the meal that should unite us as followers of Christ, it sometimes appears we can't even agree on what to call it, let alone how we might share a common theological view of its significance. Concerned that the celebration of the Lord's Supper had become a ritual rather than a reality, William Barclay set forth his ideas on the biblical foundation of the sacrament, the history of its form and interpretation in the church, and its meaning for today. This reissue of an older Westminster John Knox Press title makes a welcome addition to the highly popular William Barclay Library series. The William Barclay Library is a collection of books addressing the great issues of the Christian faith. As one of the world's most widely read interpreters of the Bible and its meaning, William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ. [With Passionate Longing](#) Thomas Price, 2012-05-17. The goal of this book is to help create an intense desire to meet the Lord Jesus at the Lord's Supper on a regular basis just as He has a passionate longing to meet us there. It has weekly meditations to help enrich that special time which can inflame a consistent devotion that can relight your candle. It can be used as a launch pad by the pastor, teacher, or preacher for individual sermons and teachings on the Lord's Supper or simply a devotional companion for the Christian at home. Some

churches have a tendency to use the same meditation same Scripture and often the same songs every time they observe the Lords Supper corporately This regular practice can become boring routine ritualistic and eventually meaningless without taking an approach to deflect that It helps to use a different meditation every time take a new outlook change the topic or use a new theme of our Lords life and sacrifice and meditate on it though maintaining the foundation of Christs sufferings and crucifixion
