Just Trust Me G. Randy Kasten, 2012-12-13 SUVs are the safest vehicle because they're so large right Wrong That's the advertising pitch but in 2000 they had the highest rollover rate 36% of any vehicle type involved in fatal accidents Yet two years later their safety myth was still so strong that one of four vehicles sold in the U.S. was an SUV The world of spin we live in is full of such potentially hazardous illusions We need to know if particular foods can hurt us with Salmonella or cholesterol whether our government is truthful in its reasons for waging war what problems a political candidate may cause or resolve if elected and whether the items we purchase are durable or junk But gaining those insights can be challenging when so many of the illusions surrounding us are deliberately created As a civil litigation attorney for over twenty five years Randy Kasten has heard thousands of lies He has witnessed that those who dispense the information we need to make decisions advertisers salespeople politicians and the media often have a vested interest in manipulating us Truth's biggest enemies are the people whose job it is to sell us incomplete versions of the facts and our willingness to believe what we want to believe Often we believe what we believe because it is the only story available To help us see through deceptions of all types Kasten discusses eight kinds of lies and what we can do about them as well as methods for discerning the truth gleaned from his practice of law Other topics include advertising magic thirty six places where the truth hides lessons from science the media and misinformation and how we fool ourselves Altogether he provides a unique tool for enabling us to make decisions that will lead to more prosperity better health greater intimacy and a life based on lasting values

Your Blueprint for Pleasure Jaiya, 2023-12-05 A book that helps readers define what makes them tick in the bedroom, resulting in more love, passion and intimacy with their partners plus better sex. When it comes to sex, many of us have been sold on the idea that certain techniques and tools are surefire turn-ons. If those techniques don't work and we don't connect with our partners or our own pleasure, then something is inherently wrong with us. But sexologist Jaiya has identified five erotic types: Energetic, Sensual, Sexual, Kinky and Shapeshifter, similar to Gary Chapman's The 5 Love Languages. Empower people with the understanding that we are each erotically gifted and that our differences are our strengths. Jaiya's framework will help readers bridge the sexual incompatibility gap, become masters of their own sexual desire and experience the deeper connection and sexual satisfaction that they crave. Based on Jaiya's wildly popular Erotic Blueprint Quiz, **Your Blueprint for Pleasure** will help readers explore and find themselves among the five erotic types identified in this program. Fans of *Come As You Are: The Erotic Mind* or other books on human sexuality and how to have sex will find much to appreciate in this empowering intimacy book.
