*The Sussex Beekeeper at the Dawn of Time* Thomas Kent Miller, 2022-09-14 The Sussex Beekeeper at the Dawn of Time is an

unconventional and breath taking tour de force that flirts with the crossover and steampunk genres The book knits together a transcribed oral memoir newspaper clippings and myriad letters and journal pages from across two millennia much of it held together by the pithy comments in the form of short notations on the edges of a quarter century old yellowed journal of a certain elderly beekeeper residing in Sussex England While comparatively few these notes are nonetheless the essential marble skeleton on which the whole denouement and structure of the book hangs In a sense much of the book comprises a straightforward objective record of the excavation of historical minutiae and forgotten manuscripts But then those mildewed scraps of parchment paper and scrolls are assembled into something far greater than the sum of their parts The objective reportage plus the finished assemblage comprises the novel **The Rescue** Eleanor Jane,2017-06-09 Michaella walked into her apartment expecting to prepare for an anniversary surprise night for her husband What she wasnt expecting was to hear a womans voice coming from her bedroom She hadnt expected to hear them laughing and talking about how he was using her It was the last straw though and she wouldnt take any more from him Michaella would get out of this marriage and make changes to her life He was known as Thumper to his friends He worked when he wanted to knowing he really didnt need the money Thumper lived in a quiet little town keeping mostly to himself Usually uncomfortable around women who wanted just a physical relationship he felt an immediate connection to the woman he bumped into When he found out she needed a friend he was there for her When she needed protecting he was there too Michaella never imagined how her life could be turned upside down with a cheating husband and divorce She also never imagined how it could be straightened with the right man

**Looking-Glass Wars: Spies on British Screens since 1960** Alan Burton,2018-01-31 Looking Glass Wars Spies on British Screens since 1960 is a detailed historical and critical overview of espionage in British film and television in the important period since 1960 From that date the British spy screen was transformed under the influence of the tremendous success of James Bond in the cinema the spy thriller and of the new style spy writing of John le Carr and Len Deighton the espionage story In the 1960s there developed a popular cycle of spy thrillers in the cinema and on television The new study looks in detail at the cycle which in previous work has been largely neglected in favour of the James Bond films The study also brings new attention to espionage on British television and popular secret agent series such as Spy Trap Quiller and The Sandbaggers It also gives attention to the more realistic representation of spying in the film and television adaptations of le Carr and Deighton and other dramas with a more serious intent In addition there is wholly original attention given to nostalgic spy fictions on screen adaptations of classic stories of espionage which were popular in the late 1970s and through the 1980s and to historical spy fiction dramas which treated real cases of espionage and their characters most notably the notorious Cambridge Spies Detailed attention is also given to the secret state thriller a cycle of paranoid screen dramas in the 1980s which portrayed the intelligence services in a conspiratorial light best understood as a reaction to excessive official secrecy and anxieties about an unregulated security service The study is brought up to date with an examination of

screen espionage in Britain since the end of the Cold War The approach is empirical and historical The study examines the production and reception literary and historical contexts of the films and dramas It is the first detailed overview of the British spy screen in its crucial period since the 1960s and provides fresh attention to spy films series and serials never previously considered Whitaker's Books in Print ,1998

world These people include Adam Orr a man who worked at Cape Canaveral but had other and more covert interests during the Cold War particularly in South Vietnam Anne Whitney a young woman who changed her outlook of men and women and romance and changed her radical political beliefs in a metamorphosis that was total Tso Wai yee a beautiful young Chinese woman in Hong Kong whose devotion to that British colony was greater than any personal love or affection Moose Dunston who was contracted by the Department of Defense and uniquely became an appointee of both President Johnson and President Nixon Jonas Valadovich the young Air Force lieutenant who would make a career of military service and face total frustration when he retired until he was rescued by President Reagan Passport is a window into a time that clarified and enhanced America s role in the world and the lessons learned are still reverberating from the Middle East to North Korea

Spooks Step Out: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. Spooks Step Out : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Spooks Step Out : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
