The Flourishing Tree:

The Flourishing Tree Hope Squires, 2014-11-14 This book taps into the powerful imagery of trees to suggest ways that one may sink roots into God's Word and grow strong branches that bear the fruits of faith [The Flourishing Tree](#) Mabel Ringereide, 1979* **The Flourish Series** Liza Kobayashi, 2016-07-08 This book is a classic for this hour. It is actually divided into two smaller books to facilitate study learning. The author shares foundational principles of finding Jesus and becoming part of His kingdom. She outlines the significance of knowing Him and being in relationship with Him. This book is also interactive. It challenges a reader to look deep within the depths of one's heart and to allow the Holy Spirit who is the source of power for the believer to flourish to release inner healing, freedom, and revelation of his/her true identity. This book is timeless and will help all believers to grow in their faith. It is a useful teaching tool for small groups, a ready source for new believers, and a call for all of us to be more effective as God's warriors in the days ahead. This book is a must-have for your library. Carolyn Suty, Regional Director, Aglow International [Psalms in an Age of Distraction](#) Ethan C. Jones, 2024-10-22 The psalms endure. Throughout the centuries, Christians have read, prayed, and sung this rich collection of poems. But in our current age of distraction, the daily rhythms of modern life revolve more around screens than biblical texts. This book argues that the psalms are poetry for the soul, poetry that shapes us. Beyond highlighting the poetry of the Psalter, the book attends to the theological freight of these poems. As such, we learn to read Scripture more attentively and love God and the world well. The first part of the book explores how we can read the psalms amid the pull of modern distractions. The second part highlights the various features of several psalms, showing what these poems can teach us about living in a more focused, attentive way. This engaging book demonstrates how our thoughts, emotions, and worship of the triune God are sharpened and deepened through the psalms. In an era of dimly lit faces and multitasking, the poetry of Psalms remains ready to train our ears, steady our hearts, and teach us to pray so that we might flourish in Christ. The book includes a foreword by Elizabeth Robar. *NIVAC Bundle 3: Wisdom Books* John H. Walton, Gerald H. Wilson, Paul Koptak, Iain Provan, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written. **Buddha-Dharma** **Pure and**

Simple Vol. 2 Venerable Master Hsing Yun, 2024-08-01 In today's Buddhist sphere numerous claims have been made on what the Buddha has taught. However, were these teachings truly spoken by the Buddha? The Buddha Dharma Pure and Simple New Edition is an exploration of over 300 topics where Venerable Master Hsing Yun clarifies the Buddha's teachings in a way that is accessible and relevant to modern readers. Erroneous Buddhist views should be corrected and the true meaning of the Buddha must be preserved to hold true to the original intents of the Buddha.

For centuries and centuries, highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth. Since they cannot all be right, this would strongly indicate that education, religious persuasion, or even intelligence has little to do with our discovery of the real spiritual truth. For if these things were truly critical, then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago. In this work, author Ted Even endeavors to show that the disagreeing intellectuals/skeptics of the past only serves to reinforce Christ's radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis. However, while super intelligence or big degrees may not be necessary, the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed. Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple-to-understand work which only leaves the real spiritual truth left standing.
