**Summary of Dorothy Day's The Long Loneliness** Everest Media,2022-05-30T22:59:00Z

Please note This is a companion version not the original book Sample Book Insights 1 My mother s family history is rich with tradition She told me stories of when she was a little girl and I loved hearing about her family s history It gave me a sense of continuity 2 We have lost our culture and our faith and we are afraid to be either proud of our ancestors or ashamed of them We have adopted a bourgeois mediocrity that would make it seem like we are all Americans made in the image and likeness of George Washington 3 We did not search for God when we were children We took Him for granted We were taught to say our evening prayers and then we would not pray anymore unless a thunderstorm made us hide our heads under the covers and propitiate the Deity by promising to be good 4 I can remember my religious experiences from when I was a child I can remember the happy hours on the beach with my brothers and fishing in a creek for eels and running away with a younger cousin to an abandoned shack in a waste of swamp around Fort Hamilton
