The Longest Dream:

The Longest Year Victor Brooks, 2015-08-25 The D Day invasion of Nazi occupied Europe launched on June 6 1944 is widely referred to as the longest day of World War Two Historian Victor Brooks argues that 1944 was in effect the longest year for Americans of that era both in terms of United States casualties and in deciding the outcome of war itself Brooks also argues that only the particular war events of 1944 could have produced the reshuffling of the cards of life that in essence changed the rules for most of the 140 million Americans in some fashion Rather than focusing on military battles and strategy alone the author chronicles the year as a microcosm of disparate military political and civilian events that came together to define a specific moment in time As war was raging in Europe Americans on the home front continued to cope with some prospering As U S forces launched an offensive against the Japanese in the Mariana Islands and Palau folks at home enjoyed morale boosting movies and songs such as To Have and Have Not and G I Jive And as American troops invaded the island of Leyte launching the largest naval battle during the war President Franklin D Roosevelt and Thomas E Dewey were in the home stretch leading up to the election of 1944 It has been said that the arc of history is long Throughout American history however some years have been truly momentous This book makes the case that 1944 was one such year Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **The Third Reich of Dreams**

Charlotte Beradt, 2025-04-29 The hidden history of a nation sleepwalking its way into evil Charlotte Beradt began having unsettling dreams after Adolf Hitler took power in 1933 She envisioned herself being shot at tortured and scalped surrounded by Nazis in disguise and breathlessly fleeing across fields with storm troopers at her heels Shaken by these nightmares and banned as a Jew from working she began secretly collecting dreams from her friends and neighbors both Jewish and non Jewish Disguising these diaries of the night in code and concealing them in the spines of books from her extensive library she smuggled them out of the country one by one Available again for the first time since its publication in the 1960s this sensational book brings together this uniquely powerful dream record offering a visceral understanding of how terror is internalized and how propaganda colonizes the imagination After Beradt herself fled Germany for New York she collected these dream accounts and began to trace the common symbols and themes that appeared in the collective unconscious of a traumatized nation The fear of dictatorship was ever present Dreams of thought control even the prohibition of dreaming itself bore witness to the collapse of outer and inner worlds Now in a haunting new translation by Damion Searls and with an incisive foreword by Dunya Mikhail *The Third Reich of Dreams* provides a raw unfiltered and prophetic look

inside the experience of living through Hitler's terror **I No Longer Dream** Michael Brand, 2022-06-07 In 2018 I suffered a massive cerebral stroke at the age of 24 after cracking my neck I woke up in a hospital with little knowledge of myself the world or any grounding in reality because of the damage to my brain along with left sided paralysis I am not the person I was before and though I want to be them again I can't and must bury them grieve and start over This is how I came to terms with my new existence while letting go of my past not because I want to but because it is a requirement to move forward

LOGISTICS OF DREAMING Jerry Nelson, 2005-07-13 Mother Nature is in the business of writing software programs in DNA Dreaming is our software program and it is also how early Homo sapiens learned logic and the use of tools Author Jerry DC Nelson is neither a scientist a doctor nor a physiologist just an engineer with a bottomless thirst for details on how everything works When some of his dreams became intriguing Nelson began to wonder why we dream What makes us dream and how do we dream During Nelson's search for answers he interviewed friends read books and articles on the dreaming brain and watched television programs pertaining to the functions of the brain In all his research he never found any satisfactory answers to the question of why we have these wonderful unique strange and bizarre dreams Then after recording hundreds of dreams he started to see particular patterns emerging which lead him to formulate several theories When Mother Nature was worked into the equation everything fell into place After having recorded more than 4 000 dreams and conducted many years of research Nelson is confident that he has enough detailed information to back up his theories on why we dream Logistics of Dreaming is his way of sharing some of Mother Nature's brilliancies concerning the dreaming brain

Dealing with the Dead Alain Mabanckou, 2025-01-16 Sharp and entertaining Times Literary Supplement One of Africa's greatest living writers Guardian Abruptly deceased at the age of twenty four and trapped forever in flared purple trousers Liwa Ekimakinga encounters the other residents of Fr re Lachaise cemetery all of whom have their own complex stories of life and death Unwilling to relinquish their tender bond Liwa makes his way back home to Pointe Noire to see his devoted grandmother one last time against all spectral advice But disturbing rumours swirl together with Liwa's jumbled memories of his last night on earth leading him to pursue the riddle of his own untimely demise A phantasmagorical tale of ambition community and forces beyond human control Dealing with the Dead is a scathing satire on corruption and political violence by one of the foremost chroniclers of modern Central Africa Africa's Samuel Beckett Economist *The Dream of the Red Chamber* Jeannie Jinsheng Yi, 2004

The Top Books of the Year The Longest Dream The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. The Longest Dream : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Longest Dream : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
