Journey Back To Home:

A Long Journey Back Chris R. Pownall, 2011-09-01 This is the real life account of a remarkable young man who suffered a near fatal head injury and describes his astounding battle to regain his life Rob Pownall was just eighteen when he had an unfortunate accident which was to dramatically change his life Following life saving surgery he lay in a coma for several days before waking up only to find himself completely paralysed and unable to speak The story is told by Rob's father Chris R Pownall author of *Funny How Things Work Out* and *Onwards and Upwards* This book is intended to be an inspiration to others who might find themselves in a similar situation and need something to give them hope and encourage them to strive for the best possible recovery Rob received the finest medical care under the British NHS National Health Service and demonstrated great determination and courage he worked hard every single day as part of his rehabilitation maintained a positive mental attitude which greatly helped him through his long journey back from what first appeared to be a hopeless and impossible situation Book reviews online PublishedBestsellers website

Imdeduya Gunter Senft, 2017-07-12 This volume presents five variants of the Imdeduya myth two versions of the actual myth a short story a song and John Kasaipwalova's English poem *Sail the Midnight Sun* This poem draws heavily on the Trobriand myth which introduces the protagonists Imdeduya and Yolina and reports on Yolina's intention to marry the girl so famous for her beauty on his long journey to Imdeduya's village and on their tragic love story The texts are compared with each other with a final focus on the clash between orality and scripturality Contrary to Kasaipwalova's fixed poetic text the oral Imdeduya versions reveal the variability characteristic for oral tradition This variability opens up questions about traditional stability and destabilization of oral literature especially questions about the changing role of myth and magic in the Trobriand Islanders society which gets more and more integrated into the by now literal nation of Papua New Guinea

The Long Journey Back Linda Penninga, 2007-12-11 The Civil War is over and the South is reeling from the loss and devastation of the war Colleen and Steven must now travel from Virginia to their home in Georgia The road is fraught with hardship and peril from bear attacks and cave dwellers to Unionists out for revenge Even after reaching home their journey does not end They are faced with the struggles of rebuilding their home dealing with devastating losses finding their place in a new South and mending what the war has torn apart It is a time of reconstruction Black Codes and the emergence of the Ku Klux Klan This is the story of the South and its people rising from the ashes of war the journey back from grief death and adversity

Life's Invisible Battles Tohon, 2020-07-22 *Life's Invisible Battles* is an introspective memoir portraying a man's inner world Life is too vast often appearing meaningless yet these stories bring out meaning even from seemingly insignificant events Tohon interprets life from different perspectives mulls over its smallest details and reflects on love pain and suffering Tohon asks himself Why do I think the way I think why do I reason the way I reason why do I react the way I react To find answers he digs deep into the unplumbed depths of his mind This inward journey leads him to uncover himself all his tendencies the good and the bad the

The Presidency of Benjamin Harrison Homer Edward Socolofsky,Allan B. Spetter,1987 Benjamin Harrison was an early proponent of American expansion in the Pacific a key figure in such landmark legislation as the Sherman Anti Trust Act and the McKinley Tariff and one of the Gilded Age s most eloquent speakers Yet he remains one of our most neglected and least understood presidents In this first interpretive study of the Harrison administration the authors illuminate our twenty third president s character and policies and rescue him from the long shadow of his charismatic secretary of state James G Blaine An Ohio native and Indiana lawyer Harrison opened the second century of the American presidency in a rapidly industrializing and expanding nation His inaugural address reflected the nation s optimism The masses of our people are better fed clothed and housed than their fathers were The facilities for popular education have been vastly enlarged and more generally diffused The virtues of courage and patriotism have given proof of their continued presence and increasing power in the hearts and over the lives of our people But the burdens and realities of his office soon imposed themselves upon Harrison The biggest blow came at midterm with the Republicans devastating losses in the 1890 congressional elections In an era of congressional dominance those losses eroded Harrison s position as a legislative advocate at least for domestic issues His impact in foreign affairs was more lasting One of the highlights of this study is its revealing look at Harrison s visionary foreign policy especially toward the Pacific Socolofsky and Spetter convincingly demonstrate that although Harrison s ambition to acquire the Hawaiian Islands was not realized during his presidency his foreign policy was a major

step toward American control of Hawaii and American expansion in the Far East
