Immigration and Integration in North America Waldemar Zacharasiewicz, Fritz Peter Kirsch, 2014 English summary The volume comprises nine essays by prominent Canadianists from Austria Germany and Canada who investigate in comparative fashion the problems of emigration immigration to and integration in North America and some European countries especially Austria and France They inquire how this challenge has been met in Canada since the official adoption of multiculturalism and reflect on the possibility of Canada serving as a model for Europe While contemporary novels by immigrants to Canada provide evidence of successful integration ethnic autobiographies remind us of the existence of problems and prejudices in former times The tensions experienced in the course of a transcultural transfer are shown to be a
