U.S. LAND USE LAW

Stephen R. Miller

Land Use Law With Supplement

Judith Eleanor Innes

Land Use Law With Supplement:

Land Use Law in Florida W. Thomas Hawkins, 2021-06-28 Land Use Law in Florida presents an in depth analysis of land use law common to many states across the United States using Florida cases and statutes as examples Florida case law is an important course of study for planners as the state has its own legal framework that governs how people may use land with regulation that has evolved to include state directed urban and regional planning The book addresses issues in a case format including planning land development regulation property rights real estate development and land use transportation and environmental regulation Each chapter summarizes the rules that a reader should draw from the cases making it useful as a reference for practicing professionals and as a teaching tool for planning students who do not have experience in reading law This text is invaluable for attorneys professional planners environmental property rights and neighborhood activists and local government employees who need to understand the rules that govern how property owners may use land in Florida and around the country
