## How To Become A Star Athlete:

How to Become a Star Athlete Tim Conroy,1993

**The Athlete's Covenant** Suzanne Stefanowski Hudd,2019-12-09

Using everyday sporting experiences as a foundation Suzanne Stefanowski Hudd lays out a set of informal rules that athletic team members learn to uphold Prescribed within the athlete's covenant these guidelines support the transformation of the player's individual commitment to hard work into a set of collective role related obligations that are applicable across time and sport Hudd's analysis highlights sportsmanship as it is practiced daily flowing naturally from the mimicry and synchrony that players routinely use to perfect their talents Working to turn star players into team players the covenant encourages athletes to set their sights on goals that surpass what their individual talents alone can provide Hudd theorizes our waning commitment to these important collectivistic properties of sport has contributed to the belief that sportsmanship is a thing of the past
