In the Kingdom of Men Kim Barnes,2012-07-05 Behind every man is a woman with a story to tell When Gin McPhee s husband Mason takes a job at the Arabian American Oil Company in Saudi Arabia it unlocks a glamorous new lifestyle far from their humble beginnings in Oklahoma It is a life of private clubs dinner parties and a houseboy at their disposal all kept within the confines of the company compound But as Gin tires of the cocktails and an absent husband the illusion of freedom is shattered leaving boredom and curiosity for life beyond the gates a world she soon finds is one of danger and corruption And when a young woman is discovered dead in the bay and suspicions point to Mason the one person she can trust is nowhere to be found

Honey and Onions Frances Meade,2004-11-03 Frances Meade lived in Saudi Arabia from 1965 to

1998 She and her husband and two daughters exchanged their desert life in Arizona for another desert land when they had the opportunity to transplant themselves to Arabia for an eighteen month adventure that was to last thirty three years This was not the Arabia of the oil companies with their replicated American communities complete with theaters and restaurants nor the high tech country of today Hers was the experience of Riyadh the capital in the days before paved roads telephones and dependable electricity and water Her story opens a window onto a culture much misunderstood by westerners How the family adjusted to an alien way of life and became a part of it is told with humor and an intimate understanding of a people and a country that are constantly in the news today Originally published in 1996 in Saudi Arabia this revised edition is even more timely in 2004

Growing Up bin Laden Najwa bin Laden,Omar bin Laden,Jean Sasson,2010-12-07 The New York Times calls GROWING

UP BIN LADEN The most complete account available of the terrorist s immediate family May 15 2011 A true story that few

ever believed would come to light GROWING UP BIN LADEN uncovers startling revelations and hidden secrets carefully

guarded by the most wanted terrorist of our lifetime Osama bin Laden I was not always the wife of Osama bin Laden Once I

was an innocent child dreaming little girl dreams Thus begins this powerful story as Najwa bin Laden who married her

cousin Osama bin Laden at the age of 15 to become his first wife and the mother to eleven of his children and her son Omar

bin Laden the fourth born son of Osama bin Laden Together mother and son tell an extraordinarily powerful story of a man

hated by so many yet both loved and feared by his family with spine tingling details about the life and times of the man they knew as a husband and father including Osama's disapproval of modern conveniences including electricity and medicine. His plan to toughen up his sons by taking them into the desert without food or water. Transporting his wives and children to the rough terrain of Sudan where he claimed to be preparing them for attacks from western powers commanding them to dig holes and to sleep in those holes allowing nothing more than sand and twigs for cover. Omar's horror at the rape and murder of a boy his own age by members of a jihadist group living among them in the Sudan. What happened in the bin Laden home in Jeddah Saudi Arabia on the morning of September 11 2001 and Omar's surprise phone call with his mother who escaped from Afghanistan only two days before the shattering events that killed so many innocent people. Since September 11 2001 journalists have struggled to uncover carefully guarded information about Osama's private life. Until now Osama Bin Laden's family members have not cooperated with any writers or journalists. Now with unprecedented access and insight Jean Sasson author of the bestselling *Princess A True Story Behind the Veil* in Saudi Arabia takes us inside the secret world of Osama bin Laden.
