The book is a full length primer on big baby care and includes entire chapters on understanding infantilism and regression, dressing, feeding, changing, nap and playtime and bathing a big baby. *Tender Loving Fun* is the easiest way ever created to find the babysitter of your dreams. All you do is identify the candidate and supply the eBook. The text presents infantilism and adult baby care in a non sexual, non threatening matter of fact way that offers step by step guidance. Perhaps the best part of the book, it's illustrated. Well known ABDL artist Voloh has created 10 terrific full color images that help prospective babysitters bridge the gap between any real babysitting experience they've had and the notion of an adult in diapers and baby clothes. Read Sitter Search to identify prospective adult babysitters, then let *Tender Loving Fun* do the heavy lifting for you. There's no need for sweaty palms and nervous lengthy conversations; this book goes a long way toward selling the babysitter of your dreams on providing the care you want and need. Although not intended specifically for Significant Others, the book will certainly help someone close to you understand what you want from a babysitter, why you need the care and how your sitter benefits as well. If you've already broken the ice with an initial conversation with your Significant Other, *Tender Loving Fun* provides a deeper understanding of the care they can provide.
